

LEAD TEACHER OF SCIENCE DARTON ACADEMY, BARNESLEY

Salary: Leadership range L5 to L9 (£52,074 to £57,482)

Darton Academy are looking to appoint a Lead Teacher of Science to join our academy in September 2024 on a full time, permanent basis.

Are you looking for a role that will enable you to influence and give direction to the children in a large successful academy? Do you want to work for a Trust that is transforming educational outcomes for students in some of the most deprived areas in the North of England? If so, this could be the role for you.

Your new school

Darton Academy is an exciting place to learn and as soon as you enter the building you can feel a buzz of enthusiasm. There is a sense of purpose, and the academy is calm and orderly, with state of the art facilities. We are a close knit community, and we pride ourselves on knowing our pupils well and doing our utmost to ensure everyone fulfils their true potential.

We aim to ensure that our pupils can learn in a safe and supportive environment, where everyone values academic achievement and has a positive attitude to learning. As a result of our journey of continuous improvement, our pupils achieved the “best ever GCSE results” in the summer of 2022, and we continue to go from strength to strength. Our progress 8 result is 0.4 and Ofsted recently graded us “Good” with an outstanding personal development offer.

We strongly encourage our pupils to take part in enrichment activities so they can discover all their strengths and talents, and run over forty clubs, as well as pupil support sessions and interventions. We also regularly organise whole school events and educational visits so that our pupils have a broad experience of learning beyond the classroom.

We believe in rewarding pupils for good behaviour, attendance and achievement and run a number of celebration events throughout the year, from “Super September” to our summer “DartFest”. We place learning at the heart of everything we do and use our core values of respect, responsibility, and resilience to build a positive ethos.

Your new role

As a Lead Teacher you will provide pedagogic leadership as an outstanding classroom practitioner, playing a key part in raising standards through the model of your own excellent teaching and by supporting the professional development of your colleagues. The ultimate aim will be to improve the learning experience and increase the outcomes of pupils, whatever their ability.
