

**Lead Teacher of the ARP
MPS/UPS (plus SEN Points - depending on experience)**

We are looking for an enthusiastic and dedicated teacher, with a history of outstanding classroom practice, to lead and develop our Additional Resourced Provision, known as The Orchard.

The Orchard is set within the heart of the main school for children with autism and complex social communication needs.

This is an exciting opportunity for someone with a passion for SEND and inclusion to further enhance our provision, shaping the curriculum and developing staff. Visits to the school to meet the headteacher are strongly encouraged.

Please contact Caroline White for an application form.
