Thank you for expressing an interest in joining Westhoughton High School. Within this pack you will find information about the school, job vacancy and the application process. Application processes are two-way, it is just as important that you find out about us, and how we work, as it is that we find out more about you.

We are a large 11-16 school that draws from a diverse catchment area in and around Westhoughton. Our aim is to be truly inclusive and ensure that learning comes first for all our learners – every child, every classroom, every day. Everyone who works here shows commitment to our LEARN values – they are not just words on a website or flying on flags at the front of our school. They are our daily mantra for what we do, and how we do it.

- Look after each other
- Enjoy school
- Aim High
- Respect one another, ourselves and our community
- Never stop learning

When I arrived for interview to be Headteacher I could feel the sense of community and belonging as I walked down the drive. Coming to school here, and working here, means something. Department profile

Welcome from Jen Benigno, Deputy Headteacher – For Quality of Education, Ambitious Learning for All

It's with great excitement that I welcome your interest in joining our fantastic English team here at Westhoughton. We are a team that takes huge pride in the work we do here and there's not a single one of us who doesn't hold a fierce passion for the value of the study of language and literature in education. We are constantly striving to be better, and I can proudly say that these high expectations have driven strong improvements in the English department year-on-year. However, whilst we work incredibly hard, we are a caring and considerate team that always look after one another and who stand united under a clear intent. Within English we very much aim to empower students to be able to:

- Make creative, passionate, and thought-provoking responses to our world as critical and reflective thinkers with high expectations
- Explore their personal identity and perspective, developing an understanding of how to respect themselves, each other and their communities
- Develop a love and enjoyment of literature, write like writers and engage openly in discussion
- Confidently own an educated moral viewpoint, with an understanding of equality, inclusion and the importance of looking after each other
- Move on to the next stage with a broad range of equitable opportunities and never stop learning.

Getting to know our school

LEARN values

Our LEARN values are our daily mantra. We are by no means perfect but work hard every day to exemplify what our values mean to our school community and how they support our learning.

Community

Our community is central to the work that we do here. Our school badge carries two symbols from our community heritage – a cow's head and the Pretoria Pit wheel. A quick google of our town will tell you the stories that sit beneath these symbols. These symbols were chosen by our learners when the school uniform was redesigned several years ago. The cow's head reminds us to think differently and own our decisions; the pit wheel is a nod to a unique community that have always worked hard and looked after each other.

We are incredibly proud of our work within and beyond our school community. If you choose to visit us, you will hear about the work of our Anti-Bullying Ambassadors and our Kindness Army. Our community campaigns "Let's Share Christmas" and "Bring the Spring" are always incredibly successful and are known throughout the town.

Staff Wellbeing

“Never Stop Learning” applies to staff and learners alike. We invest in staff development through a shorter teaching day each Wednesday. Learners leave the school site at 2:15pm to allow for professional learning of all colleagues in school.

Our staff wellbeing includes:

- An Employee Assistance Programme
- A Health Care Cash Plan
- Secret Buddy Society & Secret Santa
- Cover Plus Initiative (leading to time off in lieu)
- Access to support services (counselling)
- Wellbeing Wednesdays (early finish, no CPD)
- Late Start / Early Dart draw for 100% termly attendance
- Duvet Days for long service

Ofsted

We were last inspected on 10th and 11th May 2023, the outcomes for each category of the inspection matched with our self-evaluation. Safeguarding was highlighted as a particular strength of the school. We are pleased to see that the report included recognition that most of our students enjoy coming to school, feel safe and engage well with the curriculum. Inspectors were impressed by the personal development of our young people and their contribution to the wider community. The expertise of the staff body, and their subject knowledge also stood out.

There is much in the report that learners, staff, governors and parents should be justifiably proud of. The report includes the following highlights:

Ofsted said:

- Pupils work hard to support their local community.
- Leaders have ensured that pupils have a broad choice of subjects to study.
- Leaders provide pupils with appropriate support and guidance, so that they choose subjects that match their talents.
- Leaders have high expectations for pupils’ achievement.
- The curriculums that underpin pupils’ personal development have been carefully designed.
- Pupils involve themselves with extra-curricular clubs and enjoy the range of activities on offer.
- The school’s Safeguarding Team offers effective support to help pupils to stay safe in school and to support their varied needs.

School Improvement

We are proud of improvements made to the curriculum, teaching and behaviour since our last inspection. Last academic year (2023-24) we worked on “Routines, Relationships & Reading”. This has been the bedrock for our improvement work.

This year (2024-25) we continue to embed “the three R’s” and have also commenced work on “Attend, Adapt, Assess”. This year there is a focus on ensuring that the classroom environment is welcoming and inclusive for all, provides learners with activities and strategies to meet their individual learning needs and includes strong formative assessment that enables teachers to know that everyone understands and is learning well. Keeping school improvement clear and streamlined is part of our staff wellbeing strategy.

A final word from Ellie and Charlie

It is our pleasure to give you a glimpse into what makes our school such a special place. At Westhoughton High, we pride ourselves in fostering a respectful and welcoming environment which is apparent from the moment you walk down our drive. As learners, we are encouraged to not only immerse ourselves in the school community, but also in the wider community. The charity campaigns are not only teacher led, but student led too. We have first-hand experience of this through ‘Lets Share Christmas’ and ‘Bring the Spring’ last year. This is one of our many favourite experiences at this school, because we love giving back to our community and building trust in the area that we live.

This school is more than just a badge with a cow’s head and a pit head wheel; we are a family and community that looks after each other and respects everyone. The teachers at this school push you to always be the best version of yourself and aim high. This school has a welcoming sense of belonging in how you are supported as an individual. The facilities and extracurricular activities help you to never stop learning and always enjoy our school. We hope you strongly consider joining our special community.

NB emergencies requiring activation of Bolton Council's Emergency Management Plan only occur very infrequently. If you are asked to respond to an emergency, your personal circumstances at the time will be taken into account.
