Our commitment to these aims is evident through our working practices, which focus on making the difference to the life chances of all our pupils and students.

Academy staff and students work and learn together as our practice is continuously improved to bring about the changes required to deliver on our ambitious aims. As a Trust, we prioritise achievement and inclusion by valuing individuals. We meet these priorities by excelling in putting in place, for both students and staff, personalised learning pathways and pastoral care that seeks to address barriers to learning experienced by anyone.

"To open minds, creating opportunities for all to believe in themselves, achieve their potential and develop the skills needed to succeed and enjoy life".

"The Beech Academy, which is part of the Evolve Trust is a high achieving Special Education Needs School with a great tradition of success."

Dear Candidate,

Our vision is to open minds, creating opportunities for all to believe in themselves, achieve their potential and develop the skills needed to succeed and enjoy life.

The Beech Academy, which is part of the Evolve Trust is a high achieving Special Education Needs School with a great tradition of success. We believe that an outstanding education develops our students academically, socially and morally, giving them the skills to be successful in whatever they do once they have left us.

We feel it is important for our young people to develop outside of the classroom and we offer a wide range of enrichment and extra-curricular opportunities to help prepare our students for the next stage of their education, training or employment.

As a 'Values' driven Multi Academy Trust, everything we do is centred around these principles. To achieve this, our students aspire to display the following 5 values in all they do:

- **Ambition:** Fulfil your potential
- **Integrity:** Be honest & trustworthy
- **Inclusivity:** Respect for everyone
- **Endeavour:** Always work hard
- **Resilience:** Never give up

We believe that secondary education represents a major stage in the life of each young person and so we aim to work together with parents, carers, governors, agencies and the local community to support our young people; enabling them to develop and grow within this community and in building together a real sense of identity within The Beech Academy as part of the Evolve Trust.

As an Academy that caters for young people with a range of special needs including Autistic Spectrum Condition and moderate learning difficulties, we work on a daily basis to turn 'I cant's in to I cans' and as the Head of School of the Beech Academy, I am proud to recommend it to you.

We recognise the equal value of each individual young person and we aim to provide the best possible opportunities for your child. We look forward to welcoming you to our community.
