NOR 1450 approx.

## Learning Director: Science

### TLR 1.3 [£14,291]

Required to start 1st September 2025

**Are you capable of being a leader who can inspire, motivate and lead improvement?**

**"The school has a broad and ambitious curriculum. The curriculum is carefully planned to ensure that all pupils build their knowledge over time, regardless of when they start at school." Ofsted March 2024**

Governors wish to appoint an outstanding and experienced teacher to be Leader of science. Science is delivered across all three disciplines and A level Science. The science department are in a new multipurpose block or refurbished laboratories as of November 2019. We have recently been inspected and judged as 'Good'.

We are looking for a teacher with:

- proven leadership and skills in improving outcomes in KS3 or 4 in science.
- a genuine passion for the Sciences.
- proven skills regarding communication with staff, pupils and parents.
- a clear understanding of how to raise standards & secure first-class teaching and progress.
- promoting high achievement and high expectation.

**"Staff are proud to work at the school. They feel that leaders consider their workload and well-being. Staff feel well supported." Ofsted March 2024**

This leadership role is a very exciting opportunity with huge reward where you can **make a difference**. Raising the attainment and progress in science is an integral **part of our whole school** improvement. This role is a key area for improvement in our transition from good to great.

The school is committed to safeguarding & promoting the welfare of children and young people and expects all staff and volunteers to share this commitment.

For an information pack please go to [www.bemrose.derby.sch.uk](http://www.bemrose.derby.sch.uk)

Tours are welcomed.

Closing date: Monday 10<sup>th</sup> February at 9am.

Interviews will be concluded by Friday 28<sup>th</sup> February 2025.

Please complete a Bemrose application form along with a letter of no more than 2 sides of A4 explaining how your experience to date has prepared you for this role and how you will develop learning and progress in science.
