Learning Manager

Welcome from the Headteacher

Dear Candidate,

I am privileged to be the Headteacher of Hazel Wood High School. This is a truly inclusive and diverse community where we foster a culture of mutual respect, responsibility and aspiration.

I am immensely proud of our most recent Ofsted inspection, which graded Hazel Wood High School as "Good" in all areas. This outstanding achievement is a testament to the dedication, hard work, and commitment of our exceptional staff, students, and parents/carers who collectively contribute to our school's success. The Ofsted report commends our school for its calm and purposeful learning environment, carefully thought-out programme that promotes personal development, good student progress, and positive school ethos. Our talented and passionate teaching staff consistently go above and beyond to provide stimulating and engaging lessons, having high expectations and fostering a love for learning within our students. The report highlights the outstanding support and guidance our staff provide to every student, ensuring they receive the tailored attention they deserve.

The cumulative impact of all our school improvement work has resulted in us being the most improved school in our area. Attainment and progress indicators at Key Stage 4 have dramatically improved and our Progress 8 score is now above average; student numbers are healthy across all year groups, attendance levels have dramatically improved, and exclusions are falling. Our school has a good reputation for being caring and inclusive and is highly regarded by its local community.

We have high expectations of our staff and a great emphasis on pupil care, which includes a particular focus on outstanding quality teaching and learning, with the aim of achieving excellent outcomes for all students. At Hazel Wood, we place emphasis on effective behaviour management and high-quality teaching, and we support staff to actively apply these within the classroom every day. This, in turn, facilitates the students' ability to understand and meet our expectations.

Whatever role an individual undertakes within our organisation, they are contributing to our collective aim of transforming lives. We invest heavily in our people ensuring they feel valued, and their well-being is always considered. We understand that if staff feel valued and if the impact they are having is recognised, they can perform at their best.

We are laying strong foundations for growing the Trust and have a clear vision, this role is a key part of our growth strategy and could be an excellent opportunity for the right candidate ready for their next step. "Leaders have identified the important knowledge that they want pupils to know and remember. They have ordered learning carefully to allow pupils to build their knowledge logically over time. Teachers are experts in their subjects, and they use their subject knowledge well to devise appropriate learning activities for pupils. Teachers' consistent application of leaders' behaviour policy means that learning is rarely disrupted by poor behaviour".
