Welcome from the Headteacher

Dear Candidate,

I am the Headteacher of Hazel Wood High School and, during my time here, I have overseen a necessary period of considerable change since becoming a part of a Multi-Academy Trust in April 2019.

I am immensely proud of our recent Ofsted inspection, which graded Hazel Wood High School as "Good" in all areas. This outstanding achievement is a testament to the dedication, hard work, and commitment of our exceptional staff, students, and parents/carers who collectively contribute to our school's success. The Ofsted report commends our school for its calm and purposeful learning environment, carefully thought-out programme that promotes personal development, good student progress, and positive school ethos. Our talented and passionate teaching staff consistently go above and beyond to provide stimulating and engaging lessons, having high expectations and fostering a love for learning within our students. The report highlights the outstanding support and guidance our staff provide to every student, ensuring they receive the tailored attention they deserve.

The cumulative impact of all our school improvement work has resulted in us being the most improved school in our area. Attainment and progress indicators at Key Stage 4 have dramatically improved and our Progress 8 score is now above average; student numbers are healthy across all year groups, attendance levels have dramatically improved, and exclusions are falling. Our school has a good reputation for being caring and inclusive and is highly regarded by its local community. We have high expectations of our staff and a great emphasis on pupil care, which includes a particular focus on outstanding quality teaching and learning, with the aim of achieving excellent outcomes for all students. At Hazel Wood, we place emphasis on effective behaviour management and high-quality teaching and we support staff to actively apply these within the classroom every day. This, in turn, facilitates the students' ability to understand and meet our expectations.

We believe that all our students deserve the very best education that we can provide, and our teaching staff aspire to raise the standards and quality of teaching and learning. This is encouraged through inspiring, and supporting, colleagues with bespoke CPD; and by ensuring that best practice is shared and embedded. Having the right team in place is essential to this. Therefore, we thank you for reading through our application pack and considering us as the next step in your career.

As a part of the Oak Learning Partnership, we are proud of what we have achieved so far and excited by the continuous improvements and changes here at Hazel Wood High. This appointment will form a key element in the next phase on our journey to outstanding. If you would like to join our excellent team, then we would like to hear more about you.

Visits to the school, prior to application, are both welcomed and encouraged. Please contact the school on **0161 797 6543** or by e-mailing the HR Department at **recruitment@oaklp.co.uk** to arrange an appointment.

I hope that, when you have read the information enclosed, you will be encouraged to apply for this very important post. We look forward to receiving your application. Please visit our school website for further information.

Our Shared Principles

We expect all staff at Oak Learning Partnership to embrace our Shared Principles:

Values-Driven

We are a deep-rooted values-driven organisation and we are passionate about working with integrity and honesty, showing respect and kindness for everyone while ensuring we deliver the best education for our pupils. We understand that by creating environments with strong core values everyone thrives.

All of our schools have their own core values which are taught and lived. These are important to us as they feed into our values-rich wider trust family. We also recognise that each school's core values are an important part of their individual identities.

An Exceptional Education for All

Central to our vision as a partnership of schools is our aim to run exceptional schools which deliver excellent outcomes for all learners. We are an organisation which is a beacon for strong inclusive practice. We share a common language around the curriculum and pedagogy. Our schools tailor their approach according to their context. We provide a framework of educational support centrally which helps our schools in their improvement journey. The staffing structure allows us to be flexible in the models of support which we can offer, and we can create new models of support that work for individual schools.

Identity and Individuality

We are passionate about working in partnership as a group of schools, working together to increase capacity and creativity for all. We recognise the collective benefits that this collaborative approach brings. We are also committed to each of our schools having autonomy in many aspects of their work and we are resolute that each school will retain its own identity and protect its history. Leaders in our schools are well-supported and we understand that their autonomy and accountability are vital factors in securing the strong performance of their schools.

Our People Matter

We ensure that our people are highly valued. We are committed to developing people at all levels. Whilst experience and qualifications can be important, our priority is recruiting people who want to make a difference, who share our values and vision, and who have the right attitude. We invest in the professional development of our people, offering opportunities across our schools. We value all of our people; our passion for inclusion is reflected not only across learners but across staff and we ensure that we support their well-being.

Collaborate with Purpose

Our strength comes from our alliance of primary, secondary and special schools and we look to learn from one another. Our schools are committed to collaboration both within our group of schools and outside, and where approaches are having an impact these are shared and applied to other contexts within the partnership. Our schools actively support one another and so all benefit from the partnership. Strong central systems provide high quality support for all schools.

Focus on Impact

We concentrate on the things that work rather than merely ticking boxes. We recognise that more often than not, keeping things simple and doing them consistently well makes the biggest difference. Our centralised support around business functions allows school leaders to focus on their core purpose - delivering an exceptional education.

"Leaders, including trustees, are ambitious for all pupils. This includes disadvantaged pupils and those pupils with SEND. Leaders have placed the needs and interests of pupils at the heart of their curriculum thinking".
