Learning Mentor

Required as soon as possible

APT&C Grade 5, £25,183 – £27,269
£16,776 - £18,166 (actual pro-rata)
29 hours per week, term-time plus one INSET day

We are seeking to enhance our school support team through the appointment of a Learning Mentor who will contribute to the pastoral care and academic support we provide for all our pupils. Ribblesdale School is an all-through school; we welcomed our first Reception class September 2023. It is likely that a considerable proportion of this role will be based in our secondary provision, but the successful applicant must be able to work across the entire age range. The ability and willingness to support pupils with their progress in literacy and/or numeracy would be an advantage.

The successful applicant will work collaboratively with our teachers and other support staff to ensure that the holistic learning needs of all pupils with special educational needs are met. Our Learning Mentors establish positive, supportive and constructive relationships with pupils, parents, carers and school staff, contributing ideas and strategies for the benefit of our pupils. They assist with the planning, delivery and evaluation of the curriculum, ensuring that high-quality learning experiences are accessed by all.

As a Learning Mentor at Ribblesdale, you will:

- Plan and deliver learning activities for individuals and groups across the whole age range of the through-school (4–16), both within the classroom and as small group withdrawal sessions
- Plan and deliver a range of intervention strategies, some of which may take place before and after school and during pupils' breaks and lunchtimes
- Provide 1:1 and small group coaching and mentoring sessions for vulnerable pupils and those experiencing barriers to learning
- Engage in training to enable you to make optimal use of educational technology to support pupils' learning
- Support subject specialist teachers in making the curriculum accessible to all learners and in implementing quality first teaching strategies

Full details of this position can be found on this dedicated link:
