Dear Prospective candidate,

Thank you for taking the time to look at our advert for the Learning Mentor position at our Devon & Cornwall bases.

You will be at the forefront of making life changing differences to a group of young people who deserve the same high level of education as their peers.

If you believe that you can bring passion and energy to your work with the young people we teach, we would love to hear from you.

For further information please visit our website www.transformingfutures.org.uk

I look forward to hearing from you.

Schools - who we are

ACE schools is an alternative provision academy based across Cornwall, Plymouth, and Devon. We support up to 500 pupils each year ranging from Year 1 to Year 11. Pupils that we work with often have complex needs and don't currently attend mainstream or special schools' settings. Our aspiration for all pupils is that we can support them to return to a specialist or mainstream settings and our focus is providing our young people with the skills necessary to make this transition successful.

The school is based on 11 sites across the three localities and these sites are divided into three primary areas of need. These include: bases to support young people's health and welfare needs, this can include mental and/or physical illness that prevents them from attending school; reintegration, and intervention bases to support young people with challenging behaviour and social emotional needs back into school; WRAP bases where we provide one to one support for pupils with Education Health Care Plans (EHCP).

We currently employ over 200 members of staff across the school in a range of positions. At present in the school, we have 23 different roles and responsibilities across the team ranging from welfare, curriculum, and professional development leads as well as teachers, teaching assistants and mentors.

In February 2019 Ofsted inspected the whole school rated us as a 'good school' and we are incredibly proud of the report. Below are some of the highlights.

This is a good school

- Leaders are passionate that every pupil, whatever their previous education history, deserves another chance to succeed. As a result of their commitment to providing high-quality provision, pupils do well.
- Leaders have developed strong systems of management across sites. There are common expectations and systems of accountability. Individual sites are, therefore, well organised.
- Leaders work very hard to safeguard pupils. They are very aware of the many risks to their pupils. They have established good relationships with outside agencies. There is a very strong safeguarding culture throughout ACE.
- Teaching is of high quality on most sites. It is tailored precisely to individual needs and underpinned by very strong relationships between adults and pupils. This quality is not as consistent on the Bretonside site.
- Leaders offer a bespoke curriculum tailored to individual needs and aspirations. This means that pupils are much more likely to engage and succeed.
- Pupils' attendance improves considerably. Pupils learn to manage their emotions and behaviour. Pupils develop pride in their work.
- Pupils make good progress. They frequently gain a range of qualifications and leave ACE for a variety of appropriate destinations. Pupils with special educational needs and/or disabilities (SEND), including those with mental health needs, do well.
- Trustees have overseen the successful establishment of the multi-academy trust and a period of expansion. They identified themselves that governance required strengthening. They have taken appropriate action but there is still work to do to ensure that leaders are rigorously held accountable for all sites.

"I feel supported in my role by the SLT, my line manager and the team of staff I work with. The role is extremely challenging, which is why that support is so important"

Pastoral Lead

WELCOME

Thank you for your interest in a role within Transforming Futures Trust. This is an exciting time for the organisation. I hope this brief introduction gives you an understanding of why.

Transforming Futures Trust is made up of three, and soon to be four, academies in the Southwest of England. All our academies provide for children and young people who have special educational needs and/or disabilities (SEND). The trust was first formed some time ago. It is now an innovative, secure organisation that is increasingly working alongside local areas to contribute more to the SEND system across Devon, Cornwall and Plymouth.

Although all our academies meet the needs of children and young people with differing needs, Transforming Futures Trust's core aim is to create 'positive futures for all'. We are building a culture of Trauma Informed Practice in all our academies which supports the wellbeing and development of all children and young people, staff, parents/carers and stakeholders and the wider communities they are a part of.

Transforming Futures Trust works with children for whom mainstream education is not right: those who have SEND, some with challenging behaviour; children with mental health concerns; students who find the traditional setting of a school intimidating. This is why the people who work for us are highly committed to a core principle that all learners, whatever their ability or background, get the best education possible.

Under the strong, collaborative and considered leadership in our academies, staff benefit from being members of tight communities that work together to achieve the best possible outcomes for children and young people. As the trust develops, so does the way we plan to ensure all staff meet their full potential. Professional development and protecting staff wellbeing are priorities for the trust. This means you can rely on the fact we will ensure you will benefit from a smooth induction and suite of training tailored specifically for you.

As a trust we pride ourselves on the impact we have had on many pupils' outcomes. I hope this introduction demonstrates why we think this is a great trust to work for.

We would strongly encourage you to visit our academies and see first-hand the purposeful environments within them.

Chief Executive Officer

ABOUT US

Transforming Futures Trust works with children for whom mainstream education is not right: young people with behavioural challenges; children with mental health concerns; students who find the traditional setting of a school intimidating. It is not an exaggeration to say that we change these young people's lives. Our extraordinary staff can connect with these children and apply the principles of trauma informed care to enable them to reach their potential.

Our core aim is to create 'positive futures for all'. We are building a culture of Trauma Informed Practice in all our schools which supports the wellbeing and development of all children and young people, Head teachers, School staff, parents/carers, stakeholders and the wider communities they are a part of.

We have proven educational practice and strong leadership which has enabled us to develop new provisions across the South West to meet the needs of children and families which have not been met in existing schools in the area. Since it was established, TFT has developed a highly effective internal capacity to support schools in their work with children and young people, helping them to make the biggest difference to their life chances.

Transforming Futures Trust was formally set up on 1st June 2016 (previously known as ACE Schools Multi Academy Trust) with the aim of growing from a single educational provision in Plymouth into a group of Schools across Devon and Cornwall. Our simple aim is to support the development and improvement of the education for all pupils within the Trust and beyond through school-to school support.

GOVERNANCE, RESPONSIBILITY & LEADERSHIP

The mission of the Trust is to do our very best for learners. Our schools meet high standards and all of them achieve excellent outcomes. There is one overall leadership team which is responsible for this. It has three parts:

- **The Trust Board** has a new Chair and a number of new Trustees with a wide range of experience and skills to govern the Trust to a very high standard. They are responsible for making sure our schools are effective.
- **The Executive Team** implements the Trust's strategy and policies. They make sure that all processes run smoothly and efficiently. Our new executive team is making great strides in reducing costs and improving quality.
- **The Senior Leadership Teams** ensure that every student has the best possible experience at school. This includes learning, personal development and skills for their next steps in life. This may be to a mainstream setting, to a next school or further education, or into employment.

These three teams work together to help our students achieve the best possible outcomes for themselves and their communities.

OUR VISION

We stand for excellence in education, uncompromising professionalism, and solution-focussed support, with our pupils at the heart of everything we do.

OUR VALUES

**Valuing the individual
and our service to them**

**Compassion and
caring for everyone**

**Professional
excellence in all we do**

**Valuing growth and
releasing potential**

Celebrating Success

During the academic year 21/22 we asked staff what it was like to work at ACE and here is what they said;

Our schools

Alongside ACE Schools, Transforming Futures Trust is made up of two more academies based in the South West of England. All our academies provide for children and young people who have special educational needs and/or disabilities (SEND).

ACE Tiverton is a new specialist secondary school, educating students with ASC and linked social, emotional and mental health needs. Our learning family is built upon strong, trusting relationships, a deep sense of belonging and high aspirations for our students in every area of their lives. We challenge everyone in our school team to embrace learning, take risks and be the very best they can be.

Courtlands Special Academy in Plymouth supports 100 primary aged children who have Moderate Learning Difficulties, Social, Emotional and Mental Health Difficulties (SEMH), and other complex needs from across Plymouth, Devon and Cornwall.

Our passion is meeting the needs of every child, however complex, and seeing them flourish into well rounded members of the community.

"Coming to Exeter WRAP has enabled me to reclaim many of the things that had been lost to the profession in mainstream teaching: the autonomy of planning creatively, an opportunity to get to know the whole child and the day to day reward of knowing that I am making a real difference to the lives of the young people."

WORKING WITH US

Transforming Futures Trust is a great place to work - across our schools we have over 300 talented members of staff, in a variety of teaching and support roles. Our alternative provision and special school academies are nurturing, inclusive communities which combine creative and engaging learning opportunities with a culture of respect.

The Trust attracts people who are up to the challenge of working in our innovative and exciting environment to improve outcomes for children and young people. The rewards are seeing the difference we make every day and being part of a caring and supportive team.

As a large alternative provision that is part of a Trust we can offer you as future

employees many exciting benefits:

SCHOOL DAY: The school day for students runs from 8:30am - 2.00pm, except on Fridays when we finish at 1.30pm.

HEALTH ASSURED Health Assured provide our employees with support to enable you and your immediate family the best in life. Their 24/7 confidential support service can be used for a variety of issues including;

- Legal information
- Housing concerns
- Family issues
- Financial information

CPD: All members of staff have CPD sessions that take place on a Friday afternoon that are finished by 3:30pm, meaning that none of our training takes place after the school day. Each week we run a wide variety of 'drop in' sessions to allow staff to tailor their professional development.

CAREER PROGRESSION: As a school that covers three counties, staff can move between bases and progress their careers into one of 23 different roles in the school.

MULTI AGENCY WORKING:

Due to the high level of need for a number of our pupils there will often be occasions where you get to work with professionals from other organisations.

WELL-BEING ACTIVITIES:

Once a term staff are given opportunities to take part in well-being activities ranging from sporting, cultural or

INDUCTION AND QUALIFICATIONS:

When you join ACE, you will be given an induction to our school and provided with Team Teach (physical intervention training) as part of this induction. This induction will continue with a comprehensive package which may include first aid certificates, activity leadership as well as a thorough explanation in our systems, trauma informed practice and in-depth safeguarding training.

DELT SHARED SERVICES: Delt provide management and assistance in IT, HR, Finance and Estates functions for Transforming Futures Trust. Staff

within these teams may work for Delt but they support

Transforming Futures Trust solely. We encourage the staff on our bases to design their own wellbeing activities. In 2022 we were awarded our Silver Wellbeing at work award.

STAFF SUPERVISION: As a school, we purchase the support services of a local Psychology service so that all members of staff can receive supervision from trained professionals when staff need support for issues inside and outside of school.

IT EQUIPMENT: Whatever job role you join ACE in, you will be provided with the IT equipment required to carry out your work.

If you have an understanding and capacity to support young people with learning and communication challenges or emotional, social and mental health needs and you have a desire to help make a difference to young people's lives then we would like to hear from you.
