About Us

The Liberty Academy Trust is an education charity established in 2022. Our vision is to create a world that works for autistic children and young people, by providing an exceptional educational offer so that they achieve success now and are well-prepared for adulthood. We work towards this vision through our core values of courage, determination and teamwork.

We are currently a small Trust of three academies, but we have plans to grow so that our reach and impact can extend further. Committed to providing an excellent education for autistic children and young people, our approach is to support the whole child, offering a balance of personalised teaching and therapeutic support as standard.

We opened Church Lawton School in 2015 and provide a curriculum for students from across the spectrum who have a range of learning needs. This covers an age range from age 4 to age 19, building each child's development week by week, term by term and year by year.

Thank you for your interest in this role at Church Lawton School, within Liberty Academy Trust. This is a hugely exciting time for our family of academies as we seek to grow and extend our reach so that we can make a real difference to the lives and life chances of children – and particularly those who are autistic – so they receive the educational opportunity they deserve.

The Trust currently has three academies based in the local areas of Cheshire East, Reading and Kennington; all of which are at different stages of development. We are clear on the importance of achieving long-term sustainability for our academies.

Our vision is to lead through moral purpose, whilst taking advantage of collaborative opportunities and partnership work, to secure an excellent educational offer for our children and young people. Employees within the Trust belong to a community of professionals and benefit from an increasingly wide range of networks and development opportunities across the Trust, which will increase further as we grow.

With high expectations for staff and pupils alike, those we recruit can demonstrate that they share our values, are highly motivated to work with colleagues to continuously develop their skills, pursue professional excellence, and are committed to providing the highest standards.

If you see yourself in that description, then we would be delighted to receive your application.
