Dear Candidate

Thank you for your interest in Heathfield Community College and I am delighted that you are considering joining our team at this exciting stage in our journey.

As the Headteacher I am privileged to lead such a fantastic school. Heathfield Community College is a consistently high performing secondary school with an excellent Sixth Form. It is an inspirational community where young people excel. Our success is based on partnership and a clear focus on excellence for all students.

This is a school going from strength to strength. There is a sustained sense of positive momentum at Heathfield. Repeated Ofsted Inspections have noticed: *“there is a tangible sense of pride, ambition and community within the college.”* which are *“lived out in daily life”* (May 2023). Our most recent inspection in May 2023 which confirmed we were an outstanding provider in the majority of judgements stating *“pupils receive a great education... and...flourish here”* with praise for our ambitious curriculum, teaching and high level of achievement. In 2024 Ofsted confirmed our outcomes were indeed *“outstanding”*.

Achievement has continued to improve and 2026 has again shown exceptional success for our students at both Key stage 4 and Key Stage 5. Students here are expected to apply themselves fully to their studies and reap the rewards of hard work as a result.

Heathfield students and staff have a strong sense of belonging and community. A warm and collaborative ethos means students are well known to teachers and are supported by their peers; students develop a firm identity with college values and a sense of responsibility for one another.

Heathfield is a positive, innovative and collaborative professional environment where you can trust that you will be inspired, challenged and supported as you take the next steps in your career. Therefore, I am totally focused on ensuring that we handpick the very best staff to join our team and help us fulfil our goals.

If I can help or advise you as you consider your application, please do not hesitate to contact me at cbarlow@heathfieldcc.co.uk.

Our College

About the School

Heathfield Community College serves the local community from a pleasant 26 acre site on the edge of Heathfield. Our size offers us many advantages: we have excellent facilities, allowing us to offer a wide and varied range of academic and vocational courses at all levels. The Heathfield campus has been steadily improved in recent years. We have both a Library and a dedicated Sixth Form Learning Resource Centre, we also enjoy large open space and a floodlit all-weather astro-turf pitch.

A rolling programme of refurbishment means we continue to upgrade and improve our site and facilities including Science rooms, Music Technology and ICT facilities, including our very own Apple-esque Genius Bar. There is also a fitness centre (adjoining the school site and run by Freedom Leisure), and multi-use games areas.

Our commitment to an innovative digital curriculum ensures a well-resourced college across all areas. 18 individual rooms offer a breadth of ICT provision ranging from Microsoft PCs for all subjects, Apple Macs for Media, Graphics and Music Technology. The iPads ensure that creative and innovative approaches to teaching and learning transform experiences across the college. A high-speed wireless across the site ensures reliable functionality. Full remote access for staff and students ensures high quality access to resources and dialogue about learning. We seek to constantly review and adapt our practice to ensure the most efficient and effective ways of working and promoting learning. Teaching staff are supported with an iPad for their role.

Autistic Spectrum Facility

Heathfield Community College has a designated Specialist Facility for students on the Autistic Spectrum, including those with Aspergers Syndrome. There are twelve places within the Specialist Provision, although there are many more students with a diagnosis of Autistic Spectrum Disorder (ASD) in the college. The College has previously achieved Autism Accreditation from the National Autistic Society.

Students with ASD have significant, core difficulties in the areas of:-

- Social interaction; social relationships.
- Social use of language; communication skills.
- Social understanding; imagination and theory of mind.

These are known as the Triad of Impairment.

As with all students with Special Educational Needs and/or Disabilities, at Heathfield Community College, we believe that the first important step towards Inclusion happens in subject classrooms through quality first teaching.

Our Learning Support Department is committed to supporting students, staff and parents to ensure that all students make progress and achieve their potential. Training is offered on a formal and informal basis and all new staff are expected to attend at least the three part ASD training, or the ASD Online Training during their first year.

Heathfield Community College offers all students:

- A well-planned, broad and balanced curriculum.
- A consistent record of excellent examination results.

We are a fully inclusive College with outstanding provision for the whole range of students from our most vulnerable to our most gifted.

From the moment that students join the College they are embraced into an ethos, which is widely recognised as aspirational with a strong community spirit *“Pupils enjoy coming to school and they are proud of it.”. They “are well mannered and polite. Staff set a high bar in terms of pupils’ conduct. Pupils feel happy and safe in this vibrant and nurturing school...make a real difference to continually improving life at their school.” (Ofsted)*

Students play an active role in the College, develop leadership skills and support each other extensively including Sixth Form support for Year 7 reading and Year 10 Buddies to support the transition from Primary school.

Our Prefects, College Council and other representative bodies play a significant role in shaping the future of the College. A real and developing strength of the school is the broad range of leadership opportunities for students.

The school has a palpable *“culture for learning where students engage happily in their work and succeed well”*

The journey from Year 7 through to the Sixth Form is a rich experience. There is an extensive range of clubs, opportunities to perform in concerts and productions, sporting success, and engagement with the community locally as well as more widely across East Sussex or even nationally.

Students from Heathfield Community College leave the College as well-rounded young adults ready to be responsible citizens of the future with strong values, strong principles and ambition for success. This is achieved by a clear focus on the skills and attributes that we know are essential for future success in life.

The exceptional exam results achieved by our students will open doors but the key to sustained future success and happiness is the ability to demonstrate the qualities that rarely appear on an exam paper.

We call them our **Heathfield Habits** and we promote, recognise and reward them every day.
