The Support Staff

The support staff at Farlingaye High School consists of hard working and friendly individuals who support the work of the school. We work well together as a team, supporting each other through our job roles.

Farlingaye is a thriving school of over 1900 students, we are part of East Anglian Schools Trust (EAST) alongside Kesgrave High School, Bungay High School and Castle East School. We are passionate about learning and student achievement and our support staff play an integral role in the process of improving standards. Our most recent Ofsted report graded us "Good with Outstanding" features.

We are committed to providing excellent staff opportunities through developing and promoting our staff and offering an excellent CPD and support programme for new staff. We are also extremely pleased to have launched our own teacher training provider: EAST SCITT. This allows us to award QTS and also QTS + PGCE Programmes within both Primary and Secondary schools.

Colleagues work together well at faculty and school level and enjoy a high level of personal and professional support. Visitors often comment on the positive and friendly atmosphere in the school and on the hard work of staff. We strive to help students to maximise their full potential and take pride in the progress the school continues to make.

If you feel that Farlingaye is a school where you could make a contribution, we will be delighted to receive your application. Learning Support Faculty

The Learning Support Faculty at Farlingaye High School consists of a team of High Level Teaching Assistants and Learning Support Assistants, who work with students both in small groups and in mainstream classrooms.

We have a wide variety of students with special educational needs, ranging from communication and interaction, cognition and learning, social, emotional and mental health and various physical needs. There are currently 49 students with educational healthcare plans and over 192 on the school's SEN Register. The work of the Learning Support Faculty in the school is co-ordinated by the SENCO, Julie Moore.

Our policy is that students with special educational needs should be as integrated as possible into the life of the school. The Learning Support Assistants have an important role to play in this since much of their work is based in mainstream classrooms, however they are also expected to work with students on an individual or small group basis, and for some of the time with students with complex physical needs who require one-to-one support. They work with all years from Year 7 through to Sixth Form – Year 13 and in a variety of subjects across the whole school curriculum base, liaising with mainstream teaching staff to meet the needs of the students.

Learning Support Assistants are expected to be flexible, show initiative and, most importantly, be able to form good working relationships with staff and students whilst being careful to encourage independence. It is essential that you feel as comfortable working with our younger students as with our older ones in their GCSE and 'A' level classes.

All Support Assistants act as a lead LSA for 3 or 4 students. They maintain the graduated support plans of the students and are able to work on the targets in lessons, recording progress in the student's folder.

Short team meetings are held twice weekly to discuss the needs of the students and any problems that may have arisen. Staff training is also carried out through the school CPD programme.

Learning Support Assistants play an essential role in the education of our students with special educational needs and their work is valued in the school as a whole.

Due to the complexity of timetabling our Learning Support Assistants across the full range of our students, we are ideally looking for applicants who will be able to work 30 hours per week. However, we would consider requests to work either 18 hours or 24 hours. Please state the number of hours that you are able to work in your supporting statement.

This role is required as soon as possible.
