Learning Support Assistant

Dear Applicant,

Thank you for your interest in the post of Learning Support Assistant at Castle Donington College. I hope the enclosed pack will be of interest to you and I look forward to receiving your completed application. This is a support staff role based in the Learning Support Department. We welcome submissions from people currently working in the education sector, those interested in a career supporting young people or those considering a future in teaching.

Castle Donington College is a small 11-16 school. In September 2021 we started with 650 students on role across five year groups (Year 7 to 11). The College is situated on the North West edge of Leicestershire on the Leicestershire, Derbyshire, and Nottinghamshire border and within 30 minutes' drive of Nottingham, Derby, Leicester, Loughborough and Burton, being close to the M1 and A50.

We believe we have the makings of an outstanding school. In January 2019 we received an Ofsted rating of 'Good' and continue to strive for excellence in all things. You can be a part of our future.

We are very proud of our College community and the students we serve and so are looking for a Learning Support Assistant who is an excellent role model with the highest professional standards to work in our busy College.

We are seeking to appoint a dedicated, enthusiastic and flexible Learning Support Assistant to work in class with our pupils across the College. The core purpose of the role is to provide support to students with special educational needs and/or disability.

The successful candidate will be patient and calm preferably with experience of working in an educational setting or with children. They will work closely with the current team under the leadership of our Special Educational Needs Co-ordinator as well as teachers in a wide range of curriculum areas.

We require an individual who will embrace the challenges of the role and who has the required qualities to support and build confidence of learners in all year groups. This is an exciting and unique role providing the opportunity to support and encourage individuals to overcome their learning difficulties and to help them develop their skills and confidence to work more independently. The successful applicant will have excellent communication skills, be committed, enthusiastic and have the ability to inspire learners to recognise and achieve their aspirations.

The post holder will be a key member of the Learning Support Team and play a key role in its strategic direction and development. Working with our most vulnerable pupils and those with special educational needs can present challenges and be demanding but is also very rewarding. As a small College, we are looking for someone who can be flexible, respond effectively to the unexpected, interact positively with students as well as carry out, develop and enhance our existing support practise and procedures.

All our staff have high expectations for themselves and the students. In all areas, they work closely to drive school improvement. We are committed to a happy, purposeful and secure environment that provides the opportunity for all to grow and develop. Our staff are highly valued, well regarded and fully supported.

I look forward to receiving your application.

Yours faithfully,
Julie Sheppard (Principal)
