### About the school

Barlows Primary School is a community school situated in the heart of Fazakerley in the city of Liverpool. The school has been at the centre of the local community for many years and we pride ourselves on firmly holding the pupils' best interests at the heart of everything we do. Our aim is to provide high quality learning in an inclusive, nurturing environment for all our pupils. At the end of their learning journey with us, we want our pupils to be well rounded individuals who can thrive in the next stage of their education.

Our ethos promotes development of academic and emotional intelligence in all our pupils, enabling the breaking down of any barriers they may face. Through opening the door to lifelong learning beyond the classroom, we strive to empower each child to achieve to the best of their ability. Displaying the opportunities available later in life supports children to succeed now and in the future. This is evidenced by our last Ofsted inspection (September 2019), *'The school supports pupils' personal development extremely well. Pupils are taught how to keep themselves safe and healthy. They learn the importance of resilience, and this helps them to become confident learners. Pupils also learn the importance of tolerance and respect.'*

### About the role

The children, staff and board of governors are seeking to appoint an exceptional individual who will embrace challenge, put children at the heart of a clear vision for the future and will ensure every pupil is given every opportunity to succeed and thrive.

This post, which is to commence from 1<sup>st</sup> September 2023, is a fantastic opportunity for a high Learning Support Assistant and self-motivated candidate, who is willing to contribute to and continue to enhance the positive and nurturing culture of our school. You must be passionate
