Enabling every student to RISE – ready for reintegration, inspired for success

About RISE Alternative Provision

RISE is a specialist intervention designed for students in **Key Stage 3 (Years 7–9)** who require short-term, intensive support to overcome barriers to learning and prepare for successful reintegration into mainstream education. Our vision is clear:

“Enabling every student to RISE – ready for reintegration, inspired for success.”

We provide a **safe, inclusive, and values-driven environment** where students receive tailored academic and pastoral support. Placements typically last **12 weeks**, with a strong focus on improving engagement, attendance, and emotional wellbeing. Our approach combines **structured routines, high expectations, and relational practice**, ensuring every student feels supported and empowered to thrive.

RISE operates from its own dedicated, specialist building, providing a safe and structured environment that currently caters for up to 10 Key Stage 3 students.

What Makes RISE Unique

- **Curriculum Continuity:** Students follow a curriculum aligned with the National Curriculum, adapted to meet individual needs, including core subjects and creative opportunities.
- **Holistic Support:** We embed pastoral care, emotional regulation strategies, and targeted interventions such as ELSA, CAMHS, and career-based learning.
- **Positive Relationships:** Behaviour management is rooted in consistency, respect, and restorative practice, aligned with Together Learning Trust policies.
- **Impact-Driven:** Success is measured through attendance, engagement, academic progress, stakeholder voice, and reintegration outcomes.

RISE is not just an alternative provision—it's a **transformational pathway** that helps students re-engage with learning and build the confidence, resilience, and skills needed for their next phase.

We are extremely proud to be leading the way in Calderdale, and we need like-minded people who can really help us make the difference.

THE SCHOOL

Everyone matters and every dream counts

We are proud of the high-quality education we offer at Ryburn Valley High School. We are a school of character, ensuring our students have opportunities to shine. We want them to be the best that they can be, taking risks and continually striving to develop and improve as young professionals. As Ofsted stated following our last inspection: "Pupils know the ethos of the school is based on 'everyone matters, and every dream counts.' Leaders have fostered the values of kindness, honesty, respect and endeavour, which is brought to life by the everyday interactions of pupils and staff."

Ryburn is a school which has exceptionally high standards. Ryburn students work hard, get involved with the school community and "strive to excel". We want our students to leave school with bundles of new skills and knowledge, and of course great exam results. However, we also want them to develop and grow as young people, to leave our school with the attitudes and confidence to go out into the world and make a positive impact.

We live by the values of Kindness, Honesty, Respect and Endeavour. These values are on show in our lessons, in all our conversations and in the way both staff and students work as a team: Team Ryburn.

Ryburn Valley High School is a fantastic place to work and learn and we are always aiming to develop even further. The quality of every interaction we have with students and staff establishes a culture where everyone can 'strive to excel' and achieve great things.

We are looking for an extraordinary individual to join our school and really make a difference in the lives of our young people.

Donna Watkins, HEAD OF SCHOOL

Ryburn Valley High School provides a strong, vibrant and welcoming community. Pupils swell with pride when they talk about their school. They told inspectors about the opportunities they get to develop their confidence and resilience.
