#teamRB is a community. Our school is a happy, thriving learning community, where diversity is celebrated and aspirations are encouraged. We are committed to providing a safe, secure and stimulating environment, where everyone can develop their skills and talents in a variety of ways and to the best of their abilities. We learn, care and achieve together is a lived ethos.

The school's last Ofsted inspection was in May 2021. This was an interim monitoring inspection and has recognised that we are taking effective actions to become a good school. More importantly the inspection recognised the huge improvement and journey we have been on over the past 3 years since our previous section 5 inspection and the appointment of a new Headteacher. The school not only feels an exciting and pioneering place to be, but is now recognised as such in the latest report.

We are seeking to appoint an ambitious, enthusiastic and experienced Learning Support Assistant SEN.

Safeguarding is a priority for our school and the successful applicant will be subject to an enhanced DBS check.

Please also see our social Media channels for further information on the school.
