A WARM WELCOME

Thank you for your interest in working at Wright Robinson College. I am immensely proud to be Executive Headteacher at the College. In Ofsted inspections in 2016 and 2021, the College was judged 'Outstanding' in every area of the Inspection Framework. Under the current framework, where an overall 'Outstanding' grade is no longer awarded, we are immensely proud that our March 2026 inspection identified areas of exceptional practice, further strengthening our reputation for excellence. We remain fully committed to continually raising academic standards and attainment through a broad, ambitious and inclusive curriculum.

We are an 11-16 provision and place ourselves at the heart of the community, a college that prides itself on equipping our students with the knowledge and skills to influence an ever-changing, internationally competitive world.

Staff support, wellbeing and CPD is really important to us here at Wright Robinson which was reflected in our 2026 Ofsted report:

"Staff are overwhelmingly happy. They talk effusively of the pride they feel in belonging to Team Wright Robinson." This is reflected further by the fact Wright Robinson was the only college to be recognised in the Times Top 10 Best Places to Work.

We have over half a century's experience in educating young people which is illustrated through our results in public examinations, where our students consistently perform at rates significantly higher than the expected norms.

Students are taught by academic specialists with a passion for their subject, creating an environment where our students

believe that anything is achievable. We place great emphasis on creating leaders, whilst recognising the need to work co-operatively with others.

Our 'Team Ethos' permeates all aspects of college life, a life which here at Wright Robinson is so much more than what happens in the classroom. We seek applicants who can align with our culture of mutual respect, a positive outlook and a 'can-do' approach. The college has state of the art facilities creating, for staff and students alike, an attractive site and a pleasant working environment.

Our sporting successes are nationally renowned and our work in areas such as music, drama and art further enrich the student experience.

I am extremely pleased that you are interested in applying to work at Wright Robinson College and I look forward to receiving your application.

The 11 to 16-year-old academy on the outskirts of Manchester, rated outstanding by Ofsted, has also significantly cut teachers' workload by reducing much of the administrative burden that is often criticised across the profession. In addition to a comprehensive professional learning programme, staff have the opportunity to take funded non-professional qualifications."
