Welcome
To Testwood School

Testwood School has been educating the young people of our community since 1946.

We are a mid-size 11-16 comprehensive school located in Totton. We aim to nurture our young people to become respectful, resilient and proud to take responsibility in our community. We aim to do this by aiming to consistently act in accordance with our core values of being **Caring, Inclusive and Ambitious.**

We are proud of our good reputation in the community and many of our students are not the first generation to attend Testwood. Some even claim to be fourth generation Testwood!

We are proud of our traditions, such as our House system, but we also embrace change, seek to learn from best practice elsewhere, and prioritise the professional development of our staff. We do this not just to improve our effectiveness as a school, but also because we recognise that learning and development are as important to staff as they are to our students here at Testwood School.

We are proud that our staff culture is open, collaborative and supportive. If you too want the very best for young people, recognise that this can be challenging at times, are prepared to work hard, and would like to be a part of our school community then I would encourage you to apply to join us.
