Appointment Brief for  
Learning Support Practitioner

Danes Educational Trust

MAKING THE DIFFERENCE TOGETHER

## CROXLEY DANES SCHOOL

Dear Applicant,

Thank you for showing an interest in the post of Learning Support Practitioner starting in September 2021.

This is an extremely exciting time to join Croxley Danes School as in September 2020, the school opened its brand new permanent accommodation at Baldwins Lane in Croxley Green, including a building with a capacity for over 1200 students. The permanent site for the school comprises 12.3 hectares. This far surpasses the need for a six form entry school, therefore the space afforded to the students on site is, compared to other local schools, second to none. Furthermore, the permanent school building has been meticulously designed to ensure both students and staff experience a first-class learning environment. More details about (and images of) the permanent site can be found [here](#)

The Danes Educational Trust currently comprises five schools: St Clement Danes School, Croxley Danes School, Chancellor's School, Onslow St Audrey's School and De Havilland Primary School. Dr Josephine Valentine OBE is the CEO of the Danes Educational Trust. She was Headteacher of St Clement Danes School for 20 years. She is a National Leader in Education, a DfE Advisor and has oversight of all five schools. If appointed, you will benefit from teaching within an established, outstanding Trust whilst also contributing to the education of the first cohorts of students in a new school at an exciting stage in its development.

We are heavily over-subscribed with 660 students across Years 7-10 who are aspirational, confident and have excellent attitudes to learning. They are extremely proud of being the first cohorts of students in a brand new school and excited about the future. Staff overwhelmingly report that they are delightful to teach and fun to have in the classroom. Their behaviour is excellent.

We are looking to recruit two Learning Support Practitioners with a positive approach, who is confident in their ability and able to support lessons effectively. We look for talented and committed people and work hard to keep them, helping them to reach their full potential. In return we offer exceptional CPD both within the Trust and through the Herts & Bucks Teaching School Alliance.

You should possess excellent communication and organisational skills, be hard working, flexible and professional. Have high expectations of students, colleagues and yourself, displaying energy and enthusiasm in and out of the classroom, contributing to the school's overall success. A willingness to contribute to other areas of school life would be welcome.

I want Croxley Danes School to be outstanding and a strong part of the local community. If you share our commitment to educational excellence, we want to hear from you.

We are part of the Danes Educational Trust, more information about the Trust can be found [here](#).

Yours sincerely

MR S THOMPSON  
Headteacher

DANES EDUCATIONAL TRUST

Becoming part of the team at the Danes Educational Trust will give you an opportunity to make a difference to the educational outcomes of young people in Hertfordshire, whilst providing you with an opportunity to pursue your passion for education.

In the last year, we have expanded to be a Trust of six schools: St Clement Danes School, Croxley Danes School, Chancellor's School, Onlsow St Audrey's School, De Havilland Primary School and Elstree Screen Arts Academy and we have more schools in the pipeline. Schools maintain their own individual cultures and relationships with their community and networks, but align through key educational policies and school improvement strategies, and crucially align with respect to the Trust's vision and core values.

You will be part of a Trust that develops optimistic, resilient learners and valued, empowered staff. We collaborate with local, national and global partnerships to achieve our vision of 'Making the Difference Together' and consider our core values to be at the heart of what makes our Trust unique:

- We value **joy** in working, teaching and learning together
- We encourage everyone within our Trust to feel **optimistic** about the future and how they can shape it
- We support all individuals in developing **resilience** to enable them to respond to change and grow as a result
- We value and support the **wellbeing** of all individuals who learn and work in our schools
- We provide **equality** of opportunity and experience for all
- We provide a **safe** and secure learning environment for all

**Job Title: Learning Support Practitioner**

**Half hour unpaid lunchbreak per day**

**Weeks Worked: Term Time plus 5 INSET days pro rata**

**Start Date: 1<sup>st</sup> September 2021**

### **Core Purpose**

Facilitate students in accessing the curriculum by supporting them in mainstream and small group lessons.

### **Main Duties and Responsibilities**

- Provide learning support for students to aid confidence, improve organisation and understanding of subject areas.
- Act as key worker for a group of SEN students conducting termly reviews and liaising with class teachers regarding passport needs, as directed by the SENCO.
- Maintain high professional and academic standards and remain informed as to relevant curriculum developments and special educational needs pedagogy.
- Ensure effective learning support for all students in Years 7 to 11, primarily in the core subjects.
- Delivery of wave 2 and wave 3 interventions including at lunchtimes, as directed by the SENCO.
- Understand, support and encourage independent learning and inclusion of all students.
- Work closely with class teachers to enable an effective working situation to the benefit of students concerned, without disrupting the rest of the class.
- Work with individuals, the whole class or within context of Team Teaching, as decided in discussion with class teacher or Head of Faculty.
- Develop differentiated resources for lessons as directed by teaching staff.
- Support the class teacher in the way they organise the class and teach the subject.
- Supported by the SENCO or SEN teacher, plan and deliver small group teaching in Learning Support.
- Implement specialist learning programmes under the guidance of the SENCO or other professional (e.g. speech and language therapist)
- Observe the way students are responding and interacting and support those who may be having difficulties.
- Record support given in lessons.
- Complete half termly records in respect of students on the SEN register.
- Liaise with class teachers, Form Tutors and Pastoral Leaders relating to the effective progress of the students concerned.
- Support Pastoral Leaders with SEMH interventions for example Rebalance.
- Liaise with other Learning Support Practitioners, HLTAs, outside agencies and Heads of Faculty.
- Attend faculty meetings on a weekly basis.
- Be aware of and follow departmental and whole school policies.
- Provide specified exam access arrangements as directed for both internal and external exams.
- Attend Appraisal Meetings where appropriate.
- Act as a role model.
- Maintain confidentiality at all times.

# Person Specification

## Curriculum Summary

We currently have nine faculties: English, Maths, Science, Humanities, Modern Foreign Languages, Technology, Physical Education, Creative Arts (Art, Music and Drama) and Social Sciences.

All Faculties currently have a Head of Faculty or Faculty Co-ordinator. Over the course of the next five years a number of curriculum and pastoral middle leadership roles, as well as a variety of senior leadership posts, will also become available, ensuring that aspirational staff will have opportunities to progress their career and assume additional responsibilities at the school.

All our Faculties use Schemes of Work that have been developed from tried and tested resources from St Clement Danes, our sister school. As such, the students are following an identical curriculum and assessment framework at Key Stage 3 which facilitates progress comparisons with an established school which has outstanding student outcomes. Every data comparison to date demonstrates that the students have adopted the positive attitude to learning that is highly evident in our sister school and are making equivalent progress. When the students reach Key Stage 4 they will follow the same specifications at GCSE as St Clement Danes to facilitate the sharing of resources, knowledge and expertise, which should reduce workload whilst promoting positive academic outcomes. The school has high expectations of student behaviour, which is proving to be exemplary. To learn more about the curriculum and to download the KS3 curriculum booklet, please visit our website: <https://www.croxleydanes.org.uk/198/ks3-ks4-curriculum>

There is a rich programme of Extra-Curricular activities and Student Participation Groups underway. Successful candidates will be encouraged to add to these opportunities for our students. In addition, many Faculties have already started to create links with the local community in Croxley Green where the school will be situated. Examples of this can be seen on our [News Pages](#) and [Twitter Feed](#). We are keen for successful candidates, to further develop these links. The current extra-curricular programme can be downloaded from our website: <https://www.croxleydanes.org.uk/200/extra-curricular-1>

## Staffing

As a new school, we have an extremely keen, committed and cohesive staff group. The active staff room committee organise social events at least once per term. We are looking for colleagues who want to make a difference to the lives of the families we serve whilst also developing their own interests and careers; we hope they will, like our current staff, also enjoy working at our school.

# School Summary

## Resources

Our school is fortunate to be extremely well resourced. There are interactive TVs in all classrooms and software has been purchased to support and facilitate learning and reduce workload: ActivInspire, Show My Homework and Mint Class have all been very well received by teaching staff. There is also considerable investment in curriculum software in all Faculties, for example - Accelerated Reader, Hegarty Maths, Kerboodle, and Active Learn to name but a few. In the fullness of time, each Faculty will have its own dedicated ICT resources, either through a computing suite of 30 PCs or the provision of 30 laptops. Through a prudent expenditure and staffing plan, the school has been able to provide all the resources requested by staff whilst also developing significant reserves to develop financial resilience at a time when funding is a significant issue in most schools.

## Accommodation

The funding envelope for the development of the permanent site and construction of the school building was approximately £30million and therefore **from September 2020** the school is able to provide first class facilities to create a rich learning environment, which is populated by students and staff who demonstrate a 'can-do' attitude and enjoy celebrating one another's successes. The building has been designed around the faculty system, in which classrooms within a faculty are grouped together, each Faculty benefiting from its own staffroom.

With the permanent site totalling 12.3 hectares, the playing fields are extensive but also many of the aesthetic features of the site, such as an historic lime tree walk and other established shrubs and trees, have been retained to create a landscaping effect which few other schools can offer. In addition to the playing fields, there will be dedicated tennis courts and (separate to the tennis courts) dedicated netball courts and a floodlit astroturf.

Our permanent site is situated within walking distance of Croxley Green underground station and a short bus ride from Watford town centre. Opposite the school is a parade of shops and several key bus routes serve the location. Croxley Green itself is a welcoming and cohesive community of which the school is already becoming a part. We hope that this relationship will only grow and flourish as we move into our permanent building.

# School Summary continued

Our student body is drawn from local families, largely from Croxley Green, West Watford and Rickmansworth. They are engaging, imaginative and enthusiastic learners who are excited about coming to school each day. The video we made of them for our 2017 Open Evening, although shot within days of them arriving at the school, gives a flavour of their character and can be seen [here](#). The videos we created for our 2021 virtual secondary transfer event can be seen [here](#).

Data from recent progress checks shows fantastic attitudes to learning from the vast majority of students and detailed support plans are successful in helping those who find learning more challenging to access the curriculum and work alongside their peers successfully. In terms of their ability on entry, their aggregated overall KS2 scaled scores of 106 is above the national average. Their progress so far is a little hard to evidence comprehensively, as you will appreciate, but all data captures to date indicate that the students are progressing well.

Our numbers on Free School Meals are low (9% FSM). 15% accrue Pupil Premium funding. Our population is ethnically diverse and 24% of students have English as an additional language. 15% of students receive SEND support and five students have an EHCP. We have a highly experienced SENCO who leads a team that includes an SEN Teacher and six learning Support Practitioners (LSPs).

All visitors comment on the pride our students take in their school, the care they show for one another and the delight they express about being students who have the chance to help shape a new school community – a role which they take extremely seriously.

Leadership qualities are already being developed and it is intended to build on opportunities to allow students to lead as the school grows. An extensive student participation programme has been introduced and has been heavily oversubscribed by students wishing to join. A number of groups such as the Student Council, Environment Group and Equalities Team feed into the School Parliament.

The school prides itself on nurturing students' talents, whatever they might be. Students are currently able to join in with a wide range of clubs and activities and our sports teams are starting to chalk up promising results against local schools. To get a full sense of the life our students are able to lead at the school, see our [News Pages](#) or [Newsletters](#) on the school website or follow us on Twitter [@croxleydanes](#).
