Our Community

Award Winning Community Hub, EX5 Alive

Cranbrook is a new town built North East of Exeter. With an average age of 30, Cranbrook is the youngest town in the UK. With 8,000 people living in Cranbrook, due to increase to 28,000 in the coming years, building houses has been a key priority for the area. Unfortunately, sufficient infrastructure and services are still yet to be established. Furthermore, there is a lack of physical space in the town meaning many of the additional services desired and required are extremely difficult to run. This has resulted in a growing shortfall of EYFS spaces which currently sits at approximately 30%.

At CEC, we are proud to have an award winning Community Hub, EX5 Alive, which sees this as an extraordinary opportunity to think differently about how we approach our town's needs. Solutions-focussed and uniquely based within Cranbrook Education Campus, an all-through educational setting, we have been and continue to provide a Cradle-to-Career approach. This means building opportunities for families where support starts at an early age and can continue to be provided as children grow to be young independent adults. Supported by The Feltham Convening Partnership, and now a beacon of community hub work within the Ted Wragg Trust and across the South West, EX5 Alive has already made huge strides in supporting Cranbrook.

Among many successful strategies, this has included:

- Building key partnerships to support parental understanding and engagement in conversations around mental health leading to significant improvements in school attendance figures.
- Building mental health and increasing emotional health across the community through access to workshops, workouts and referrals for further support.
- Increasing access to food through our evening and night food bank.

Much of our success has come through ensuring best and research-based practice, nurturing healthy relationships with community members and operating through an asset-based lens approach. Echoed by Hughes and Bomber (2013) "Quality relationships provide the necessary vehicles for adaption and recovery and every relationship has the power to confirm or challenge everything that has gone before".

We are proud to be a school rooted in our community. We believe our award-winning community hub makes CEC and Cranbrook a very special place to work and grow.
