Grade 7 spine point 13 £26,873 FTE (pay rise pending)£13.97  
per hour

*We are looking to recruit an outstanding Nursery Room Leader to lead our nursery class, as part of our friendly, dedicated and experienced team. You will work together with our EYFS leader to ensure consistently high quality provision for all our children.*

Freeland CE Primary School is a small village primary school just outside Witney, which is part of Eynsham Partnership Academy. We have recently extended our age range, creating a nursery class with children aged 2-4 years.

We are looking for candidates with a professional approach, who have enthusiasm for teaching children through play and can deliver the Early Years curriculum in an effective and engaging way.

As room leader you will take responsibility for the day to day running of the nursery, working closely with the reception class teacher/EYFS leader. You will have high expectations of yourself, the children in your care and your colleagues, modelling what excellent practice looks like.

There is an expectation that all members of the team will take on a key person role for a small group of children and be able to identify next learning steps and communicate this with the wider team and parents.

As part of the Eynsham Partnership Academy, you will have access to high quality professional development and training as well as opportunities for career development.

The successful candidate will:

- Be able to lead through modelling good practice.
- Be able to support staff in their team, where needed, through CPD, professional dialogue and training.
