

Vacancy: LKS2 Teacher

Contract: Temporary for 1 year to commence after Easter

M1 – U3

Are you a skilful communicator? Can you put the needs of others before your own? You could be just the colleague we need to teach our Y3 class.

St Mary's isn't just a school; it's a brave, forward-thinking family in which children come first. From April 2021, one of our colleagues will be busy putting *her* new babies first for a while! In the meantime, we need you to act as teacher, guide and advocate for our Y3 children. Maybe you're looking to return to teaching after bringing up your own little ones but haven't yet found the right fit? This post could be beneficial for you...

Staff here know that their work can change lives and because of this, we strive to be at the forefront of primary education. Our research-based approach to learning, progressive curriculum and innovative learning environments make us unique - just take a look at our website! Likewise, we're looking for a teacher who also stands out from the crowd: someone with the energy, experience and empathy to establish themselves quickly and deliver the very best educational experiences for our children.

Whilst you're with us (and long after) you'll be a crucial and valued member of our team. To make sure that you are able to 'hit the ground running', we will:

- provide a comprehensive induction programme
- support your pedagogical development through our 'Responsive Professional Learning Programme'
- nurture your leadership skills
- equip you with an innovative and exciting curriculum plan.

If you're looking for a school with a traditionalist approach, this is not the role for you. It requires someone with a sense of adventure who will readily share in the hard work and excitement that accompanies our collective strive to remain 'outstanding'. With us, you'll find reward in our warm-hearted character, collegiate approach and, most importantly in working with our remarkable children.

St Mary's is a proud partner academy of SNMAT. Being part of this Trust is unlike working for others; they know quality when they see it and always look to retain excellence! Because they share our drive to provide the very best quality of education for *our* children, we are not bound by corporate colours or policies, meaning that your input could truly make a difference to our provision.

If you're interested in working with us, then please call the school for an informal discussion with our Headteacher and to arrange an appointment to look around.

We are committed to safeguarding and promoting the welfare of children and would expect anyone joining our school to share the same ethos. All candidates are subject to safer recruitment procedures. The post is subject to an enhanced DBS disclosure.

Application forms and further details are available via email office@stmarys.snmat.org.uk or from our website: www.stmarymagdalenprimary.co.uk. All applicants should include supporting information which explicitly addresses **any four** of the questions below, relating to the person specification:

- What are the potential benefits and drawbacks of research-led practice?
- Describe your understanding of faith.
- What is the best kind of professional development?
- What constitutes integrity?
- Describe your understanding of wellbeing.

The closing date for applications is 9am on Friday 26th February 2021. Interviews will be held w/c 1st March
