

We are seeking to appoint an excellent class teacher with a passion for child-centred learning, enthusiasm and high expectations for all children; someone who can inspire and motivate others and would like to join our committed, creative and enthusiastic staff team from September 2021.

The Revel is an extremely popular and successful Voluntary Aided Primary School with Roman Catholic provision, located in the small village of Monks Kirby with a dedicated Reception unit in Brinklow and a nursery in Harborough Magna. We have a large rural catchment area with 315 pupils on roll. Our site is unique, with eleven acres of beautiful woodland and open fields which we use to take our learning outdoors as much as we can. Our creative curriculum draws heavily on local inspiration with residential trips, music and sport offering the pupils significant learning enrichment. Our most recent Ofsted report stated:

"Pupils' behaviour is usually excellent and academic standards have been consistently good. The school curriculum is thoroughly worthwhile and includes a rich variety of subjects and experiences. High-quality outdoor learning activities in the extensive and well-kept school grounds, music and sport are all worthy of particular mention. "
