About us

At the core of our school is the Christian value of love. We welcome all to our community including those of all faiths and no faith. The following verses underpin our ethos:

“Love is patient and kind. Love is not jealous, boastful or proud or rude. It is not selfish. It is not easily angered. It keeps no records of wrongs” 1 Corinthians 13:4-5

Much of our way of working stems from this and other Biblical teachings. All members of our Academy community are treated with love and valued for the unique contribution they bring. Each child is considered a child of God and deserving of the very best education we can provide. As a member of our Academy community you can expect to always be supported, valued and be given the best CPD we can offer to help you be part of fulfilling our Academy's vision.
