About The Role

Do you want to be part of a successful team making a real difference to children? Our dedicated staff provide positive and creative learning opportunities in an environment which promotes curiosity, enjoyment and a thirst for challenge. Children at Porters make very good progress due to our commitment to excellence and care.

We are looking to appoint an enthusiastic person to join our successful team, supporting pupils learning initially in our younger year groups; in the classroom setting, in small groups and through 1:1 support.

Initially this role is likely to support our children in Dolphin Bay, so experience and enthusiasm to work with pupils with a range of SEND would be desirable.

The successful candidate will ideally have:

- Experience of supporting pupils in primary schools
- Experience of working with pupils with a range of SEND
- Relevant NVQ level 2 or above
- GCSE A-C/equivalent in English and Maths
- A caring, patient nature
- The ability to be flexible
- The ability to work well within a team and independently

As part of Portico Academy Trust, Porters Grange Primary School can offer you:

- A friendly and supportive atmosphere where everyone is valued and everyone matters

- A nurturing environment with wonderful children who want to learn
- High quality professional development
- Opportunities for cross phase work
- Support and collaboration across our Trust
- A well-resourced school

Please don't take our word for it. Come and arrange a visit to see for yourself. We would love to show you our children at work
