

Main Scale Class Teacher

September 2025

"Teachers always talk about how important it is to find a school that 'feels right' and Melbourn Primary School is that school. It is a welcoming and supportive place to work. The school is a fantastic place to work and everyone is approachable and keen to share experiences and ideas. I have loved working in an environment where you always feel you can ask, and colleagues will be more than happy to help you find the answer. Everyone is professional yet fun and friendly to work with. I have very much been made to feel part of the family since joining MPS." (Appointed teacher)
