Dear Applicant

Re: Application for the post of Mainscale Teacher – Maternity cover

Thank you for showing an interest in the Mainscale Teacher vacancy to cover maternity at our school.

Our school is the largest infant and nursery school within Warrington and as such offers a unique opportunity to work among a group of highly dedicated professionals whose centre of focus is providing the very best education for young children.

We have a long and established history, within the community, as a successful school and we measure that success not only by our continued high academic standards but also by our children's confidence, enthusiasm and participation in a wide range of activities both within school and within the community.

We strongly believe in a partnership approach where everyone, teachers, governors and parents work together so that our children achieve and flourish within in a caring and supportive environment where every child is encouraged to be 'the best that they can be.'

This post offers the successful candidate the opportunity to work with us at an exciting time as we work towards developing further our learning opportunities for children. We are looking for an enthusiastic, talented and highly motivated person to join our dedicated and hardworking team.

Potential applicants are not invited to look around the school at this time because of Covid. There will be an opportunity to look around if you are shortlisted for the position. Please include your observations and reflections from our website in your application. The closing date for applications is 12 noon on Friday 14th May 2021.

I very much look forward to receiving your application.

Yours faithfully

Lyndsey Glass
