

# Candidate Brief

**Mainstream Teaching Assistant**

# Welcome

Thank you for the interest in this post. EQUA Mead Learning Trust is a family of like-minded schools, that collaborate to provide mutual support, share best practice and learn from each other, whilst retaining and developing each school's individual and distinctive character. We believe every child has the right to an inspiring and fulfilling education and we seek to improve the life chances of all those we serve; therefore, we make it our mission to give **Every Child, Every Chance** of success.

At EQUA Mead, we are an inclusive, passionate and forward-looking educational organisation. We are a Trust of seventeen primary schools, two secondary schools and eight nurseries, all based in Wiltshire. In addition, we have three additional schools joining us in September 2025. Across our schools, we also have four Resource Bases that provide specialist education to children and young people with complex needs.

We believe in the power of education to transform lives and shape a brighter future. We are dedicated to fostering a strong sense of community where everyone works together to achieve their very best. At all of our schools, we do all we can to enable each child and young person to realise their full potential and to develop positive social and moral values.

We understand that successful schools are rooted in their local community. We respect and value the individual nature and ethos of each school while knowing we are more effective when we work together and support each other. We are a mixed Trust that benefits from both church and non-church-based schools and we actively celebrate this diversity. We are highly inclusive and collaborate closely to promote a culture of openness and integrity.

We thrive on providing a wealth of support to schools and seek to empower school leaders. Our CPD, NPQs, ITT, networks, training, research programmes and range of courses underpin a comprehensive development programme for all staff, whilst ensuring wellbeing is at the centre of all decision making.

We have lots more information about EQUA Mead on our website ([www.equamead.org](http://www.equamead.org)), however, If at any stage, you would like to find out more, please do feel free to get in touch.

Studley Green Primary School is a school where we value a child's character development as much as their academic achievement. We strive to provide every pupil with the best possible learning experience – every single day. We are fully committed to ensuring that every child who comes to Studley Green leaves here at the end of Year 6 as a confident, curious, and resilient learner who is 'secondary-ready.'

We have a unique school at Studley Green, and we are very proud of that. Our ten classes are made up of seven mainstream year groups and three resource base classes that cater to pupils with complex needs and speech and language requirements. This unique structure enables us to offer equality of provision and inclusion for all children, regardless of their difficulties, talents, needs, and characteristics. Our commitment to high aspirations for all is part of the ethos at Studley Green. We value every individual and celebrate personal successes every day.

Our school climate is calm, welcoming, and friendly; it is safe and secure—a place where everyone is valued for their special contribution.

'Studley Green is an amazing school...every child matters to every member of staff' - Year 6 Parent

# Safeguarding in our Trust

# Our Trust Leadership

The Strategic Leadership Team work closely together to focus on school and Trust-wide improvement and development. Heads also meet regularly and undertake peer support and challenge across our schools.

Our Leadership Team work together closely to improve effectiveness across our Trust. This includes coordinating the work of Trust subject teams, which meet regularly to develop provision and practice. The team also coordinates high quality professional development, including appraisal, for Trust staff and facilitates school to school support for all schools within the Teaching School Alliance.

# Vision and values

## Our Mission

Our mission is to give Every Child Every Chance of success.

## Our Vision

Our vision is to enable all learners to believe in themselves. Our children and young people will enjoy an ambitious and inspirational education that develops their character, confidence, knowledge and the skills they need to succeed in life. Our schools are places that launch interests and ignite passions, and provide inspirational learning for all; where children and young people are:

- Happy and safe
- Inspired and supported to reach their full potential
- Equipped to become resilient, independent learners
- Prepared to live responsibly and peacefully in the spirit of understanding, tolerance, equality and friendship
- Children are at the heart of our work. The Trust's role is to enable school leaders to focus on their core business of ensuring that every child thrives.

## Our Values

Our values give our organisation its purpose and direction. We believe in:

- Excellence • Collaboration • Creativity
