

Truro and Penwith **Academy Trust**

MANAGEMENT ACCOUNTANT (Hybrid Role, office base Truro)
£40,653 + (Pay Award from 1st September 2024 Pending)

Full time (37 hours per week 52 weeks a year)
We're happy to discuss flexible working options

Truro and Penwith Academy Trust is one of Cornwall's largest employers. We're a growing Trust currently with 34 schools (29 Primary and 5 Secondary), over 8,000 pupils and 1,500 staff. We have a clear vision to improve life chances of all children and young people in our schools.

We are seeking to appoint an experienced and enthusiastic Management Accountant, with a passion for delivering high quality financial information. The successful candidate will work closely with the Finance Business Partner's and the Head of Finance, driving economic benefit through accurate financial analysis and modelling.

Your finance experience might come from accountancy practice, a large corporate, a SME, or a public sector employer. We're particularly interested to hear from candidates who have estates, IT and corporate function management accounting experience irrespective of the organisation it was gained in.

You will be a highly motivated individual and a confident communicator, as well as a team player who can work flexibly and use your own initiative. You will be an experienced Management Accountant with a proven ability to build strong relationships. We anticipate the successful candidate will be a minimum of AAT4 Qualified or Part-Qualified CCAB/CIMA.

Key aspects of the role:

- Support in the production of annual budgets
- Support the Finance Business Partners in the production of monthly management accounts, providing variance analysis both written and verbal.
- Use your financial knowledge and experience, to work across the Trust investigating operational differences, identify best practice, and report recommendations for improved consistency.
- Champion correct application of the Trusts Financial Procedures Manual with all budget holders.
- Support in the reporting of CAPEX and VAT for the Trust.
- Use own initiative in respect of delivering outcomes on ad hoc projects, in order to drive improvements in financial performance.
- Support and mentor budget holders in the financial management of their operational departments.

Truro and Penwith **Academy Trust**
