MATHEMATICS TEACHER

From: 1st September 2022

Salary: M1 – UPS3

We are seeking to appoint, commencing September 2022, a permanent Maths Teacher, who would relish working with highly motivated students who enjoy mathematics throughout Key Stages 3, 4 and 5. Part time and full-time applications will be considered.

The Maths Department is well organised and resourced and provides a supportive working atmosphere for staff. The department's exam results year on year have been excellent. The majority of our students continue to A level Maths or Further Maths.

There is guaranteed A level teaching (tailored to what you can offer), but we would also welcome applications from excellent teachers who have not taught A Level yet but would be interested in doing so.

The Latymer School is a high achieving, but caring grammar school in North London. Visitors comment on the warm atmosphere and the level of participation in extra-curricular activities. Students at the school recently described the school as one "family" and it being a "real community". We are very proud of our school and believe it is a place where you can really teach and develop. We regularly feature in the top 10 performing schools in London and are often the highest ranked co-education school.

If you would like to work in a friendly environment which is extremely rewarding, then we would like to hear from you.

Closing date for application: 10am on Monday, 23rd May 2022

Applications will be considered upon receipt and the vacancy closed if an appointment is made before the closing date.

The Latymer School is committed to safeguarding and promoting the welfare of young people. We expect all staff to share this commitment. Any offer of employment is subject to a satisfactory 'Enhanced with a Barred List Check' through the Disclosure and Barring Service.
