Welcome from the Headteacher

Welcome to Bishopton Centre, where we are proud to work collaboratively to ensure every student makes progress, enjoys learning and develops skills for life.

We provide a safe, nurturing learning environment for students to support them to maximise their potential. Each student has a unique pathway, which may involve a well-planned transition back to mainstream, or a differentiated route. We offer a broad and balance curriculum, which has a strong emphasis on English and mathematics and vocational subjects, to enable students to progress to Further Education, apprenticeships or employment.

To be successful we will work closely with the students that come to us and their families/ carers. We will identify what success will look like for the young person and plan a pathway of academic, therapeutic, and social activities.

Students will be taught in a small group of usually 10 or less with a teacher and teaching assistant. Relationships with their teachers will be strong. There is a great deal of emphasis placed on pastoral support and good behaviour will be rewarded. Each student will also have the opportunity to take part in our Outdoor education programme.

We work closely with our colleagues in other services to form a strong team of support around young people and families. This may include Educational Psychologists, Social care, youth support, SEND colleagues to name a few.

We hope that you find the website useful but if you have any further questions, please do not hesitate to contact us,

Gill Warby

Rehabilitation of Offenders

The post you are applying for requires you to have an enhanced Disclosure and Barring Service criminal records check for work with children, with a barred list check if you work in regulated activity. Should you be shortlisted, you will be asked to disclose full details of your criminal history prior to your interview. This includes any information deemed relevant as part of Keeping Children Safe in Education which may arise in an online search undertaken on shortlisted candidates. This information may be discussed with you at your interview in order to assess job related risks, but we emphasise that your application will be considered on merit and ability and you will not be discriminated against unfairly. Failure to disclose this information will result in any offer of employment being withdrawn.

Please also see the policy statement on the Recruitment of Ex-offenders below.

Information in Support of your Application

Every post advertised is supported by a full person specification. The specification lists all the essential skills, experience and qualifications which are necessary for the job and the criteria against which you will be assessed, both through your application form and at interview.

As part of the application process, you may have been asked to demonstrate within this application form how you meet some or all of the criteria or key competencies outlined in the person specification. Try to use different and varied examples wherever possible.

When completing these sections, do not forget the skills and experience you have gained outside full-time work. Outlining your previous work experience or other responsibilities may help you to uncover skills which you have taken for granted and which are clear signs of your ability to do the job.

Canvassing

You must not try to influence an elected Council Member, any council employee or a member of the school governing body, to act in your favour, as this will disqualify you.
