

Mangotsfield School

Love learning. Respect. Challenge. Community.

About Mangotsfield School

Everything at Mangotsfield School is based around its school values driven by Headteacher, Hetty Blackmore. Having first joined the school as a newly qualified teacher when she was 23 years old and returned to lead it later in her career, she is very proud of the journey the school is on.

Mangotsfield School is proud to serve its community and has been part of the local community since 1957. They have just celebrated being rated as a 'Good' school by Ofsted (visit March 2022).

There are wonderful resources and facilities on site, allowing students to embrace curricular and extra-curricular challenges from DT, art, dance, drama and a climbing wall to name a few. There is a lot of open space, which is green and calm. And this sense of calm is echoed in the school itself.

The school has a proud sporting history and teams have travelled as far as Wembley to take part in national competitions. The school is also on a mission to broaden horizons with many co-curricular trips taking place, such as a Year 7 trip to Slimbridge Wetlands for art research and a Year 8 trip to Tyntesfield House to explore gothic horror within the English curriculum.

Nearby

There is a Tesco in walking distance to the school, along with two pubs and a fish and chip shop. Green space abounds with Rodway Common and Pomphrey Hill adjoining the school. David Lloyd Sports Complex is nearby but if you prefer your cardio to be the steps you take whilst shopping, then the retail park at Emersons Green is a only short drive away.

Parking

Free parking is available at the school.
