# About our school

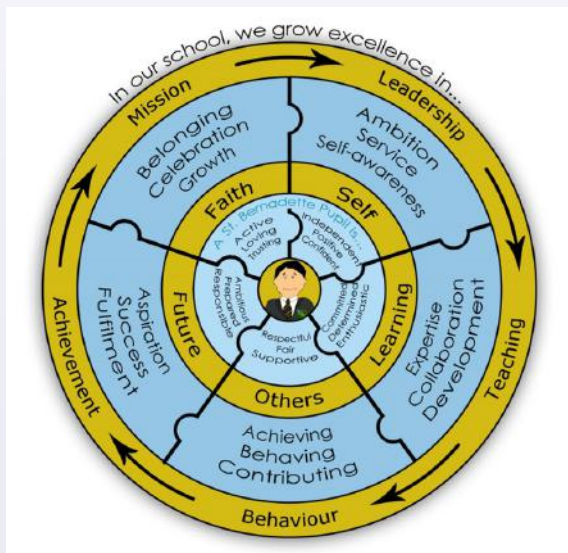

St Bernadette's is a vibrant, successful and ambitious secondary school located in Whitchurch, South Bristol. The school prides itself on being a community of faith and of learning, where everyone is valued and has a part to play.

As a Catholic school it is our mission to work together to serve the needs of the pupils in our care. The work entrusted to us is to help each pupil to recognise their dignity as a child of God and to help each one to fulfil the potential that God has given them. We do this by providing an education grounded in the gospel values of faith, hope and love; in which pupils can grow in faith; are stretched academically and are given a moral and social awareness that will help them to contribute fully to our school community and to play an active part in society both now and in the future. In this way we work for the common good and to build up God's kingdom.

## Excellence at St Bernadette's

A commitment to excellence from all and for all is a key feature of our school. Our fundamental belief is that children will succeed when learning in a happy, challenging and safe environment where there is mutual respect for all in the community. Our St Bernadette's Excellence Wheel has been the vehicle to move our Excellence agenda forward.

At St Bernadette's we are committed to providing an education which enables every young person to have a positive relationship with:

# St Bernadette's is a community of faith

Our identity as a faith community is at the heart of all that we do. We are proud of our Catholic tradition and our partnerships with the Diocese of Clifton, our partner schools in the Aquinas Group and with St Brendan's Catholic College, which provides our Sixth Form. We celebrate each person's unique set of God-given talents and work hard to ensure pupils use them to the full. We were therefore delighted to be recognized as an outstanding Catholic school in our last Section 48 inspection.

Our faith is at the core of our daily life, our interactions with each other and our learning. As a school we come together as a faith community through assemblies, services and masses. We offer pupils opportunities for spiritual growth and development not only through Religious Education lessons but also through trips retreats and school-based activities in our Chapel.

All curriculum areas within the school support and contribute to the faith life of the school. Each faculty has identified how it contributes to the mission of the school, as well as its contribution to Catholic Social Teaching.

Our pupils put their faith into action by helping others and each year raise thousands of pounds for a number of charities. Pupils are also involved in local community initiatives and we are always impressed by their generosity and energy in helping others.

# St Bernadette's is a community of learning

St Bernadette's is an ambitious learning community. We want our pupils to make the most of every learning opportunity, have fun in their learning and be scholars. We work hard to provide the best we can for all pupils and we expect them to give of their best, work hard, behave well and take responsibility for their learning. Our pupils achieve well in examinations and make strong progress.

Our curriculum is broad and is designed to ensure that all pupils have the opportunity to achieve their maximum potential. We promote and value traditional subjects while also embracing new technologies.

Pupil groupings vary across subjects and year groups, giving maximum flexibility to accommodate each individual's needs. All pupils are set challenging targets and their progress towards them is closely monitored.

One of our key priorities is to develop pupils' learning through the promotion of scholarship. By promoting 12 aspects of scholarship through our lessons, the reward system and across school life in general, we are seeking to help pupils to become 'St Bernadette Scholars' who are increasingly successful at learning.

We are strongly committed to the growth and development of our staff. A well-established staff development programme is in place, focused on developing individual and collective excellence through expertise, collaboration and action research.

# School Improvement Priorities

The School Improvement Plan is the vehicle which outlines and drives forward our ambitions and plans for excellence in all that we do. It covers five key areas:

## **Mission**

We work to build an active and vibrant Catholic faith community in which all belong, grow and celebrate our individual and collective identities.

## **Leadership**

We nurture ambition and excellence thus providing a quality service based on secure self-awareness and robust plans.

## **Teaching**

We work to improve the quality of teaching, learning and assessment by building expertise, collaboration and the development of individuals.

## **Behaviour , Attendance & Pupil Welfare**

We raise the level of aspiration, achievement, engagement and contribution of all pupils to improve personal development, behaviour and welfare.

## **Achievement**

We raise aspiration and improve standards of achievement and outcomes so that all can experience success and fulfilment.

Each key area has a Priority Improvement Plan (PIP) which identifies our longer term objectives and priorities, as well as being specific about our priorities for the coming academic year. The number of key priority areas is kept to a minimum to ensure clarity of focus while maintaining the progress made in previous years. Core leaders within the school maintain Team Improvement Plans (TIP) which reflect the priorities and progress of individual teams.

Strong school systems and rigorous self-evaluation support the developmental work of the school. Leaders at all levels own and drive school improvement priorities.
