## MATHEMATICS TEACHER

From: 1<sup>st</sup> September 2021 – 31<sup>st</sup> August 2022  
Salary: M1 – UPS3

We are seeking to appoint, commencing September 2021, a permanent Maths Teacher, who would relish working with highly motivated students who enjoy mathematics throughout Key Stages 3, 4 and 5. Part time and full-time applications will be considered.

The Maths Department is well organised and resourced and provides a supportive working atmosphere for staff. The department's exam results year on year have been excellent. The majority of our students continue to A level or Further Maths.

There is guaranteed A level teaching (tailored to what you can offer), but we would also welcome applications from excellent teachers who have not taught A Level yet but would be interested in doing so.

The Latymer School is a high achieving, but caring grammar school in North London. Visitors comment on the warm atmosphere and the level of participation in extra-curricular activities. Pupils at the school recently described the school as one "family" and it being a "real community". We are very proud of our school and believe it is a place where you can really teach and develop. We were named in the top 10 performing schools in London by The Independent Newspaper for the academic year 2017/18.

If you would like to work in a friendly environment which is extremely rewarding, then we would like to hear from you.

Closing date for application: 10am on Monday, 10<sup>th</sup> May 2021

***The Latymer School is committed to safeguarding and promoting the welfare of young people. We expect all staff to share this commitment. Any offer of employment is subject to a satisfactory 'Enhanced with a Barred List Check' through the Disclosure and Barring Service.***
