

Oaklands
Catholic School and Sixth Form College

**Are you an outstanding and inspirational teacher
looking for an exciting opportunity in September 2022?**

**Would you like to work in a fantastic school and
join a highly successful Maths or Science Department?**

Oaklands Catholic School and Sixth Form College can offer you a career
in a well-established, oversubscribed comprehensive school,
which is highly respected in the community
and well supported by parents.

Maths and Science are among the lead subjects in the school
and regularly exceed national attainment expectations.
The departments are key to fulfilling our vision and strategy
and are excited about bringing in new colleagues to contribute to their success.

A Level Maths, Further Maths and all three Science subjects
are offered at our Sixth Form College.

In January we will be looking for new colleagues in Maths and Science
who can demonstrate exceptional classroom practice
that reflects contemporary and traditional thinking in teaching and learning.

This is a fantastic opportunity for ECTs to start their career
in a friendly and supportive environment offering significant opportunities.

The Governors will welcome candidates of differing faith backgrounds or none,
who can be supportive of the Catholic ethos of the school.

**Please contact us to arrange a visit to the school
