

**NORTH BROMSGROVE HIGH SCHOOL**  
**JOB DESCRIPTION**

**Job Title:** Maths Lead Practitioner (L4-L8)

**Accountable to:** Head of Maths

**Main purpose of the role:**

To take a pivotal role in working with the Head of Faculty and leading on high quality Learning and Teaching across Maths so as to ensure maximum success for all. To be a champion in developing departmental and whole school CPD in enhancing the delivery of Teaching and thereby ensuring high quality Learning. To be a role model for the school community and raise levels of school achievement.

The Lead Practitioner will have a proven track record of raising standards of attainment and achievement in the delivery of Maths at GCSE and/or A Level.

**Responsibilities:**

To assist the Head of Maths in leading on standards of teaching and learning across the Faculty by:

- **Planning** high quality lessons and leading the delivery of consistently good and outstanding teaching and learning opportunities
- **Leading**, inspiring and motivating colleagues in developing their teaching and learning
- **Identifying** and addressing areas for improvement in teaching and learning. Supporting the development of Faculty staff to meet the challenge of any future changes to the curriculum
- **Securing outstanding outcomes** for all students as a result of good and increasingly outstanding teaching
- **Providing** inspirational CPD innovative and motivational leadership supporting the improvement of teaching to enable all students and staff to achieve their highest potential (both in science and across the school where necessary)
- **Establishing** a culture that promotes excellence, equality and high expectations for all students
- **Carrying out the day to day duties of a classroom teacher on an exemplary basis in line with the School Teachers Pay and Conditions Document and Teachers Standards**

**Teaching:**

When directed by the Head of Maths, support the monitoring and evaluation of the quality of teaching within the Faculty and contribute to driving further improvement by:

- Developing a high-quality ethos of learning amongst students based on high expectations and a shared vision
- Planning and preparing effective Schemes of Learning, lessons and CPD courses
- Taking a lead role, working closely (coaching/ mentoring where required) with other leading practitioners in determining and developing policies, procedures and practice, promoting collective responsibility for their implementation to ensure high achievement through effective teaching and learning and whole school improvement
- Analysing national, local and school data, research and inspection findings to inform curriculum area policies and practices, expectations and teaching methodologies and to report regularly to the Head

of Maths

- Using local and national data and other information in order to provide: a comparative baseline for evaluating learners' progress and attainment; a means of judging the effectiveness of their teaching; a basis for improving teaching and learning
- Taking a lead role in improving the effectiveness of assessment (including planning and implementation of intervention) practice in the Maths Department in evaluating the effectiveness of teaching and learning
- Researching and evaluating innovative curricular practices/pedagogy and drawing on research outcomes and other sources of external evidence to inform own practice and that of colleagues
- Supporting the Head of Maths in the development of post-16 courses in the department and across school in liaison with external organisations
- Supporting the More Able coordinator in ensuring that students make exceptional academic progress

### **Monitoring, Assessment, Recording, Reporting, and Accountability**

- Be immediately responsible for the processes of identification, assessment, recording and reporting for the students in their charge
- Contribute towards the implementation of SEND Provision Plans as detailed in the current Code Of Practice particularly the planning and recording of appropriate actions and outcomes related to set targets
- Assess students' work systematically and use the results to inform future planning, teaching and curricular development
- Be familiar with statutory assessment and reporting procedures and prepare and present informative, helpful and accurate reports to parents
- Keep an accurate register of students for each lesson. Unexplained absences or patterns of absence should be reported immediately in accordance with the school policy

### **Professional Standards and Development**

- Be a role model to staff and students through personal presentation and professional conduct
- Arrive in class, on or before the start of the lesson, and begin and end lessons on time
- Cover for absent colleagues as is reasonable, fair and equitable
- Be familiar with the School and Department handbooks and support all the school's policies, e.g. those on Literacy
- Establish effective working relationships with professional colleagues and associate staff
- Be involved in extra-curricular activities such as making a contribution to afterschool clubs and visits
- Maintain a working knowledge and understanding of teachers' professional duties as set out in the current School Teachers' Pay and Conditions document, and teachers' legal liabilities and responsibilities relating to all current legislation, including the role of the education service in protecting children

- Liaise effectively with parent/carer's and with other agencies with responsibility for students' education and welfare
- Be aware of the role of the Governing Body (and provide reports as and when required) of the school and support it in performing its duties
- Be familiar with and implement the relevant requirements of the current SEN Code of Practice, DDA and Access to Work
- Consider the needs of all students within lessons (and implement specialist advice) especially those who have SEN, PP or are HPA

### **Health and Safety**

- Undergo relevant First Aid training and update health and safety courses
- Be aware of the responsibility for personal Health, Safety and Welfare and that of others who may be affected by your actions or inactions

### **Professional development:**

- To contribute to the maintenance and development of the school's ethos, values and overall purpose
- To assist with the development of a programme of CPD
- To deliver CPD designed to meet the needs of teaching staff (whole school and/or Faculty)
- To coach and mentor Maths team members and encourage them to engage in appropriate CPD
- To use meetings to share good practice, cascade training and to inform team members of any changes to national guidelines and procedures
- To observe Maths colleagues and others as necessary, providing evaluative feedback that encourages further development (coaching and mentoring as appropriate)
