INTERVIEWS:

Friday 10th December 2021

LOCATION:

Winchester, Hampshire

CONTRACT TYPE:

Permanent, Full-Time

SALARY:

Main Pay Range / Upper Pay Range, suitable for ECT

START DATE:

September 2022

Do you want to be part of a school community on a journey from good to outstanding?

Do you want to make a difference to outcomes for all students?

We are looking to appoint an enthusiastic and passionate Maths Teacher to join our highly motivated and hard-working team. You should be an excellent classroom practitioner and have students at the heart of your decision making. You must also have good knowledge of the Maths curriculum and the recent national changes that have taken place. We are looking for somebody who is creative and dynamic in the classroom and can engage a wide range of students.

This role is suitable for both ECTs, who would benefit from a comprehensive range of support and guidance, and more experienced teachers alike. We are open to applicants who may be looking for part time work as well as applicants looking for a full-time position.

Our team has been on an exciting journey over the past few years and our results are showing an upward trend. We are very proud of our most recent set of GCSE results: 85% of students achieved a grade 4 and above, and 28% of students achieved a 7 and above; thirteen students achieved a grade 9.

We are driven and determined to continue to improve on these results over the coming years and are keen to employ a teacher that will share this drive and enthusiasm.

If you would like to work in a vibrant and progressive environment, we would love to hear from you. You will join a committed, successful, and supportive team. CPD is a school priority for all colleagues.

This is an excellent opportunity to join a successful secondary school which is 'where teachers and leaders at all levels are enthusiastic and ambitious' (Ofsted 2017).

The successful candidate will:

- Be committed to comprehensive education
- Have students at the heart of what drives their decision making
