It's great to hear that you are considering joining us as part of the Outwood Family of Schools! As CEO, I'm proud to lead a dynamic and values-driven organisation where your passion for education can truly make a difference.

We are a collaborative network of 41 academies across the North of England, all dedicated to providing a world-class education for every child, from 3 to 18. We're not just a collection of schools; we're a family, sharing expertise, challenging each other, and celebrating our collective successes.

At Outwood, we believe in igniting a spark in every student, and that starts with inspiring our staff. We foster a culture where everyone feels valued, empowered, and supported to reach their full potential. We live by our five core values: ambition without limits, breaking down barriers, turning our best into our normal, making every interaction count, and always remembering that we are a family.

We know that a career in education is more than just a job; it's a calling, a passion, a journey. That's why we're committed to supporting your development every step of the way. Whether you're just starting your career or looking for the next exciting challenge, Outwood offers a wealth of opportunities to grow, learn, and make a lasting impact. This might be the role that sparked your interest today, but who knows where your Outwood adventure will lead you?

But most importantly, at Outwood, we believe that **children always come first**. Every decision we make, every strategy we implement, and every lesson we teach is driven by a single goal: to ensure that our students are **ambitious, thriving in great schools, within strong communities**.

If you share this belief and are ready to be part of something truly special, I encourage you to apply for this position and begin your Outwood journey.

As Executive Principal for Secondary Academies, I'm deeply passionate about the vibrant community we've built across our 29 schools.

We're dedicated to nurturing the whole child, empowering them to grow into confident and resilient individuals. We work in some of the most challenging communities, and we believe every student deserves access to a world-class education and opportunities they might not otherwise receive. Here's what working with us means:

- **Transformative Impact:** You'll be part of a team committed to breaking down barriers and providing exceptional opportunities for students, regardless of their background.
- **Strong Routines, Powerful Relationships:** We understand the power of consistent routines to create a positive learning environment, and the profound impact of strong relationships between teachers and students.
