

**Required for September 2023 or earlier
KS3/4 Maths Teacher (Banbury site)**

A recruitment and retention allowance may be available for the right candidate.

We are open to a discussion about flexible working

Meadowbrook College provides full and part-time education and support to children aged 5 to 16. We provide a high quality, inclusive, safe learning environment in which to develop positive behaviours and skills for students who find mainstream difficult. We also offer a broad range of preventative programmes and support to enable students to access education in order for them to enhance their life chances beyond the college. Our staff work hard to ensure our young people achieve the best outcomes they can by creating individual educational packages which meet their needs and which equip them with the skills and attributes they require for their next destination. Our hope for our students is that they will re-engage with learning, be successful and achieve their goals.

This is an exciting opportunity for an experienced teacher with the ability to inspire and motivate students and staff alike. You will have a unique opportunity to make a substantial contribution to further improving outcomes for a significant group of vulnerable and challenging learners and to help to shape and develop Maths provision across the College. **We are looking for applicants who are willing to work on our Banbury site.**

As an Maths Teacher you will:

- be a skilled practitioner in the classroom, with a proven background in supporting students with a variety of learning difficulties and needs
- be experienced in working with KS3 and KS4 students at both a national curriculum and accreditation level
- be relentless in your approach to both engaging our students in and with Maths, and securing them the best academic outcomes
- be highly motivated, with a passion for your subject
- have bags of enthusiasm, patience and perseverance
- the ability to offer other subjects/curriculum activities which would inspire and engage our students

Why work at Meadowbrook College?

- Meadowbrook College staff are both professional and resilient. There is a “can do” attitude that makes a real difference to the lives of our students; many of whom have become disengaged with education and lost the confidence to achieve their full potential
- We offer a variety of opportunities for ongoing professional development for all staff
- We are working in an ever-changing and expanding educational climate where the need for alternative provision solutions is increasing. Our provision is always adapting and new opportunities are always evolving.

Please complete an application form, including a letter of application stating why you feel you are suitable for this post, and return to Charlotte Hughes, Headteacher's PA, at chughes@meadowbrookcollege.org by **12pm on Monday 17th April 2023**. Interviews will take place week commencing **Monday, 24th April 2023**. You are encouraged and welcome to visit the college.

Please note that our recruitment and safeguarding procedures do not allow applicants to submit CV's; all applications must be submitted on our application form.

Meadowbrook College is committed to safeguarding and promoting the welfare of children and young people and expects all staff and volunteers to share this commitment. All staff and volunteers are expected to promote Fundamental British Values. This post involves the type of work with children and young people that requires applicants to undertake a Disclosure and Barring Service check. The possession of a criminal record will not necessarily prevent an applicant from obtaining this post. All cases are considered confidentially and according to the nature of the role and information disclosed.
