

**Teacher of Maths**  
**Full Time**  
**Salary: Main Pay Scale – Upper Pay Scale**  
**Start Date: September 2022**

***Cottingham High School has fantastic students, supportive parents, passionate teachers and enormous potential: this is an exciting time to join our well-established school. 100% of our parents would recommend our school to another parent. (Parent View, 2020) In the school's last inspection we were judged to be good in all areas and the upward trajectory of our student outcomes continues to evidence this. One parent commented 'I cannot thank you and the other staff who've supported my son enough. I will be eternally grateful that you all saw my son's potential, believed in him and have encouraged him to want to achieve.'***

This is an excellent opportunity for a highly motivated and talented teacher of maths, who is passionate about helping young people to realise their potential.

We invest in all our staff, providing a comprehensive induction programme and outstanding support for NQTs or RQTs and ongoing continuous, personalised, professional development.

We welcome and encourage visits to school, where you will have the opportunity to meet some of our staff, students and the Headteacher to learn a little more about our ethos, vision and journey.

Cottingham High School is committed to safeguarding and promoting the welfare of children and young people and expects all staff to share this commitment. This post is subject to a Disclosure and Barring Service (DBS) check.
