**Headteacher: Mrs Julie Summerfield**

**Teacher of Maths - MPR/UPR**  
**Full time**  
**Required for September 2021**

HTC would like to invite applications from dynamic, enthusiastic and committed Teachers to join a strong, supportive and forward-thinking department where results are outstanding with 80% of students achieving Grade 9-4 in 2020. Our results are amongst the highest in South East Hants and are due to our relentless focus on teaching, learning and sharing.

HTC is committed to providing the highest quality of learning for all students in every lesson. We have an OFSTED rating of good (most recent OFSTED inspection March 2019). HTC is a 'school where students' academic achievements and their personal development are regarded as equally important'. 'Parents are overwhelmingly positive and appreciate the care and support their children receive'. The College is always developing its practice and we welcome applications from qualified teachers who want to be part of a consistently improving College.

This post would suit an NQT or experienced Maths Teacher with passion and drive. We comprehensively support all new staff and have tailored programs for NQT's, staff returning to the profession and those seeking a career change. The College is committed to professional development and will seek, where possible, to support staff in their ambitions to further themselves.

Informal enquiries are welcomed and highly recommended, please contact David Dryburgh, Subject Leader, on [david.dryburgh@horndeantc.hants.sch.uk](mailto:david.dryburgh@horndeantc.hants.sch.uk)

Application forms and further details are available on the College website.

The College is committed to safeguarding children and promoting the welfare of young people and expects all staff and volunteers to share this commitment.

Closing date for applications 12 noon – Monday 22 February 2021.
