About Idsall School

Idsall is a large, successful 11-18 mixed comprehensive school with about 1,300 students. The school occupies extensive and attractive grounds on the edge of the market town of Shifnal, bordering on open countryside.

Lying close to the boundary with neighbouring authorities, Idsall attracts students from outside its designated admissions area – some from Telford and others from Staffordshire.

Our school buildings are well-maintained and provide large, airy work spaces which are well-equipped to support delivery of exciting lessons. We have completed extensive redevelopment over the last few years adding state of the art learning environments in art, science, technology and ICT. New canteen facilities and upgraded toilet facilities have transformed our school. Classrooms are fitted with electronic whiteboards and multi-media projectors and have full access to broadband internet resources and a school-wide computer network. All our teaching staff are equipped with laptop computers to facilitate delivery of high-quality lessons.

An attractive feature of the school is our large, modern Library and Resource Centre which is a focus for many learning activities and private study, both during and after the normal school day.

Our facilities for sports and physical education are outstanding. We have a very large, multi-purpose sports hall as well as a separate gymnasium which was recently refurbished. Our Sports Centre has a large, state-of-the-art fitness suite with new fitness-training machines. Outside, we have a floodlit, all weather sports area and floodlit tennis courts. There are extensive playing fields for football, rugby, cricket, athletics, hockey and rounders.

'IDSALL - AN EXCITING PLACE TO LEARN'

We have a well-deserved reputation for our high standards in teaching and academic achievement. At Idsall School, we aim to provide a great variety of opportunities; academic, social and cultural, in order to challenge students to develop and achieve their personal best.

We ensure that every student gets the best possible opportunities and education, allowing them to succeed and flourish. Learning is at the heart of all we do. Through high quality teaching, we ensure all students' talents and abilities are catered for, allowing them to not only excel academically but also to allow them to become independent in their learning and prepare them for the next stages of their life.

We value and strive to develop both the academic learning skills and personal skills of our students so that they can be a positive member of the local and global community. Our teachers and support staff are highly skilled in understanding the needs of every child, and are committed to providing each of them with the very best learning experience, in an environment where they feel secure and happy.

Our academic results speak for themselves. In 2019, at GCSE, 82% of students gained at least 9-4 (A*-C) in English, and 81% of all students gained at least 9-4 (A*-C) in Maths. Overall, nearly 21% of all grades were 9-7 (A*-A); while at A Level, 50% of grades were A*/B. In 2020, we are very pleased with the Centre Assessed Grades awarded to both GCSE and A Level students. They reflected the hard work shown by our students in a difficult period.

More importantly, we are a very happy school. The relationship between staff and students is exceptional. Although very busy, and, at times pressurised, it is a pleasure to work and study in such a friendly environment. Expectations of teachers and students are high, but this serves both to stimulate achievement and provide reward.

Learning

In Years 7 to 9, Idsall School offers a curriculum that is structured with clear objectives of what we want students to know and do by the end of each course. This curriculum is aimed at developing our students' personal learning and thinking skills as well as encouraging their resourcefulness, resilience and

teamwork. English, mathematics and science are complemented by physical education, the arts and humanities, modern foreign languages, design and technology and ICT.

Teaching at Idsall School is constantly developing to ensure that all students are supported to achieve their personal best. We have consistently high expectations of both ourselves as teachers and our students. We maintain high levels of student engagement through the use of stimulating and imaginative learning strategies that develop resilience, confidence, collaboration and curiosity.

Regular checks are made to track each student's progress against their own personal learning targets. Students receive regular feedback on their work and progress. This feedback is designed to support the student to recognise what they have done well, and what they could improve on to achieve the next steps in their learning. Progress is discussed with students by tutors, and the results are reported termly to parents in a clear format, showing strengths and identifying areas for improvement.

Additionally, when work is marked, teachers will identify how well a student has done and importantly, how that work can be improved. We thus constantly strive to ensure that a student reaches his or her full potential.

Students are placed in ability groups or bands for most subjects based on prior attainment levels and grades achieved in progress tests completed during the year.

In Key Stage 4 (Years 10 and 11), the range of subjects and courses available to students opens up to allow each student to make choices which they find interesting and relevant to their future careers. An options booklet provided during year 9 sets out details of all the courses on offer, and students make a guided choice to construct their personal programme of study in full consultation with parents and staff.

The opportunity to progress to 'A' level studies in our own successful Sixth Form is a tremendous advantage for Idsall students, and is a stimulus for them to aim for the highest grades at GCSE. Sixth Form students make a valuable contribution to the life of the school, helping to run clubs and organise charity events, and supporting the younger children in our school community.

“Great oaks from little acorns grow”

"Our school comprises a community of students, staff, trustees and parents. Our motto reflects our belief that we want everyone within our school to reach their full potential".
