May 2022

Dear Sir or Madam

Thank you for your enquiry regarding the post of Maths Teacher. We are seeking to appoint a talented and enthusiastic Maths teacher to support with high quality first teaching and learning across the Academy.

We are a high-performing, all through SEMH special school which was judged as Outstanding in every area by Ofsted in November 2016. We are not remotely complacent about this and are committed to ensuring that the quality of provision we offer to our students is consistently excellent. We believe that such sustained success is a team effort and every member of staff contributes to that level of excellence. We are a relatively small school, but we still have a distinctly 'family' atmosphere. Visitors to the School often comment on the friendly and supportive ethos.

The purpose of this role is to further enhance the Maths curriculum from KS1 to KS5. The successful candidate will have good experience and excellent knowledge of the subject. They may have strengths in other subject areas which we would be keen to explore. The post requires a flexible attitude and a capacity to work with children who have Social, Emotional and Mental Health needs. This is a very challenging and rewarding environment and we would encourage candidates to come and visit the school in preparation for applying to this role.

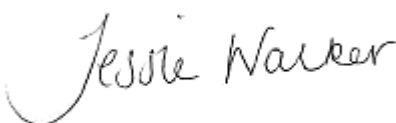

Please note that this post is paid in line with the Teacher's Pay and conditions and will be at a level commensurate to experience and qualifications.

The closing date for this post is **12pm on Friday 20th May 2022**. Applications should be posted to the Human Resources Manager at Maplefields Academy or emailed to mbason@maplefields.northants.sch.uk

Interviews will be held as soon as possible after shortlisting has taken place.

Maplefields Academy is an equal opportunities employer. We are committed to the safeguarding and welfare of our students and expect all staff to share this commitment. An enhanced disclosure from the Disclosure and Barring Service is required for all successful applicants.

Yours sincerely

Miss J. Walker – Head Teacher
