Meole Brace School

Achievement · Respect · Community

December 2021

Dear Colleague

Thank you for taking the time to consider applying for the post of Teacher of Maths. We are seeking a highly motivated and effective practitioner to join our team of specialists, someone who is driven by the success of their students and who has high expectations for their engagement, behaviour and outcomes.

The successful applicant will be a reflective practitioner (all good and outstanding teachers are, in my opinion) and they will continuously seek to improve their own practice. In return, they will be well-supported in their own professional development.

If you are interested in applying for the post, and want to join a school that is always seeking to improve, through a mixture of hard work, ideas and commitment, then please include in your application a letter (maximum 2 sides) that addresses the following:

- why you think you are suitable for the post
- why you enjoy working with young people
- how you endeavour to inspire students in your lesson

Please stipulate where you saw the post advertised and when you are available to commence employment.

If you are interested in applying for the post, and want to join a school that always seeks to improve, through a mixture of hard work, ideas and commitment, then please complete the application form and return for the attention of Mrs Julie Richards, Meole Brace School, Longden Road, Shrewsbury, SY3 9DW or via email to recruitment@meole.co.uk by Monday 7th February 2022 at 12 noon.

Yours sincerely,

Mr Alan Doust
Headteacher

Meole Brace School

Achievement · Respect · Community

About Meole Brace School

Meole Brace School is a caring and cheerful community committed to developing academic, personal and social skills of all our students to the highest standards. We are an 11-16 Academy, with approximately 1300 students on roll. Our principal aim is to enable them all to lead happy and successful lives, in school and beyond. Through our core values of 'Achievement, Respect and Community', we encourage all our students to be self confident, to enjoy learning and to achieve their full potential. Excellent teaching and learning is at the heart of everything we do, but we also believe that all young people can thrive if they feel valued, feel safe and are suitably challenged. We are proud of our reputation as a successful and vibrant school with high expectations. We are all committed to providing a stimulating and high quality learning experience for all. Our OFSTED Inspection in November 2018 confirmed that the school continues to be good in all areas:

"It has an enviable reputation for caring for its pupils and for knowing them well"

"Pupils at the school are happy, attend well and work hard"

"Pupils achieve well"

Our wide ranging CPD program was also praised by OFSTED and we have individual pathways for staff at all levels of their career. In January we formed the Central Shropshire Academy Trust, with two other highly successful schools. We foresee this to be a highly exciting phase for us as it will provide further opportunities to share best practice and work collaboratively.

Meole Brace aspires to the highest possible standards, is constantly developing and promotes innovation. Staff enjoy a strong sense of team spirit and well being and are fully supported by the dedicated leadership team. We operate on an ethos of mutual respect and kindness.

"I've been incredibly impressed with the school since our son started. The values upheld by our family are upheld at school. You've helped him become the young man we want him to be"

Parent Survey

We are very proud of our school and hope that you will want to join our hard working and committed team of staff.

Maths Department

There are 11 members of teaching staff within the Maths Department.

All 10 full time teachers have their own classroom. All classrooms are fitted with interactive whiteboards or touchscreen technology. We also have a maths photocopying room/work space and a further office/workspace. In addition to this technology we have our own suite of laptop computers.

Throughout KS3 & KS4 we set pupils according to ability. We have approximately 270 pupils per year group and they are taught in half year groups. In Years 7 to 10 pupils are taught maths for 7 x 1 hour lessons per fortnight, this increases to 8 hours in Year 11.

Pupils sit their GCSE mathematics exam with Pearson/Edexcel and Programmes of Study in all years lead to this final examination.

We are a well-resourced department, we subscribe to several mathematics specific websites as well as having many other paper materials and equipment. Schemes of Work indicate the skills which need to be taught and offer supporting materials. However, teachers are encouraged to teach how they would like to teach, as such, Programmes of Study are not overly prescriptive and staff are free to design their own lessons and resources.

All members of the department are expected to be able to teach across the whole age and ability ranges.

GCSE results across the department remain above National averages.

We currently run lunch time revision clubs and a STEM Day. Any interest in increasing our extra-curricular provision would be welcomed. We would be keen to hear from candidates who would like to increase our extra curricular provision.

Full Time

Permanent

Required to start September 2022

We are seeking a highly motivated and effective practitioner with excellent subject knowledge to join our team of specialists. You will be able to inspire and motivate our delightful students in a culture of high aspirations. In return, you will be joining a school that operates as a team, driven by a moral purpose and is committed to the professional development of all staff.

The successful candidate will be a team player, committed to the success of all students in and beyond the classroom. You will be an enthusiastic and knowledgeable classroom practitioner with a passion for Maths. You will share our commitment to continually raise standards by providing our students with an excellent education in the broadest terms.

Visits to the school are welcomed, please contact Mrs Julie Richards on 01743 235961, to arrange a visit.

Further information about the school and an application pack visit our website: www.meolebrace.com.

Completed application forms should be emailed to recruitment@meole.co.uk.

Closing date: Monday 7th February 2022 at 12.00 noon

Interview date: Wednesday 16th February 2022

Meole Brace is committed to equal opportunities, safeguarding and promoting the welfare of children and young people. We expect all employees to share this commitment. All appointments will be subject to a satisfactory Disclosure and Barring Service (DBS) check.
