MATHS TEACHER

Required from September 2025
Main/Upper

A very warm welcome to Warblington School

Dear Candidate

Thank you for taking an interest in our unique community. I know I say it every year, but there is not a day goes by when I am not proud to be the Headteacher of this school and the community within it. August was another of those moments where the Class of 2024 and staff got to share the fact that their hard work meant every school attainment record has been beaten! They left a legacy that will not be forgotten – that despite the challenges this year group faced, they obtained the skills and qualifications that best prepare them to tackle those challenges and enable them to go on and have successful futures. We have now challenged the future year groups to “step up” and write themselves into the record books!

I am consistently in awe of the character and resilience shown by our young people. Students are still coming to terms with gaps in their education thanks to school closures, yet they seem more determined than ever to make up for lost time, taking advantage of the range of activities that we were once again able to put on. It was great to see students getting excited for the ski trip this year, and also throw themselves into Sports Week, staying for rehearsals for the school show, going out on trips and visits or just being able to have Christmas lunch or an assembly with the whole school together – something we do twice a year and is one of my favourite times – it emphasises the importance of working on something collectively. And in our case, Warblington is something very special.

We, along with every Hampshire school, have been able to be part of a #BeeWell survey, looking at student’s wellbeing. Much is written around the performance of UK schools in PISA tables by politicians, however rarely does this focus on how poorly UK schools come out when it comes to student wellbeing. What the #BeeWell survey has shown us is that Warblington bucks this trend, with students saying they feel safe, experience bullying below Hampshire and National averages and feel they have staff that will listen and support them all the way through school. This is something we’ve strived for and now have the evidence to show!

The improvement journey the school is on is one that presents challenges but also real successes. We now sit with a full Key Stage 3, and waiting lists in years 7, 8 and 9. With the increase in students, comes the needs to review the curriculum and we are delighted that Design Technology is back, having recruited into this area. Business Studies also now forms part of the Key Stage 4 options. At a time where many schools are reducing the numbers of subjects, we are able to offer more – increasing the broadness of curriculum offer our students and parents have come to expect.

Warblington school has something quite unique about it. Whilst we go about our day in our Grade 2 listed building (yes it really is a national treasure!) that has recently seen millions spent upgrading the glazing to ensure rooms are fit for purpose, we remain a small, but rapidly growing secondary school. At only 780 students we can do things differently here as we know individuals well. This is picked up by everyone who visits us. But it goes deeper than that. Everyone who visits will tell you just how welcoming the school is for new staff and students – over 40 students joined us mid-way through the year last year, with each one saying how they had settled in well and were enjoying school. Indeed, one of our senior prefects this year joined us outside of the normal admission round, yet you wouldn't notice that from speaking to her. This is a thriving community and I am proud to say our students are well behaved, friendly, kind and considerate. They welcome visitors and they are proud to speak of their school. Our staff are passionate about improving learning and aim to inspire and challenge the young people we work with.

A recent inspection by the Hampshire Inspection Team noted, *“During the learning walk all pupils were engaged in their lessons. It was evident that teachers had a strong presence and command within the classroom environment, with subtle cues to engage pupils who may be off task or unsettled following a transition. These ‘behaviour of learning’ techniques were evident across the school, with teachers skilfully using eye contact, hand gestures and body language, without interrupting the flow of the lesson. This ensured any low-level disruption was addressed swiftly and meant behaviours did not manifest into something more. Behaviour seen throughout the day would align with the self-evaluation, with the school being calm and orderly, with pupils following staff instructions with respect.”*
Hampshire Inspectorate and Advisory Service (HIAS)

We believe that children have the right to the best education and during their time with us, we aim to equip all of our students with the skills they need to flourish in modern society; to make the best of opportunities and to be able to positively contribute once they leave Warblington School.

The way we work with individuals on the Personal Development Curriculum has continued to build, and during our recent Hampshire Inspection, it was commented that, *“The enrichment curriculum covers careers, equality and diversity, relationship and sex education and safeguarding. ...all teachers deliver this within teams becoming more expert in their area. Leaders place value on this aspect of their work and this is highly visible across the school”*

WARBLINGTON
SCHOOL

We have high aspirations for everyone who wears the Warblington School logo and as we begin to look ahead to September 2025, and celebrate our 70th year as a school we continue to strive to improve ourselves through a clear focus on learning and achievement in a supportive environment. As a parent myself, I know that children and young people learn best in an environment which is secure, happy and caring. Our learning community works hard to create the right atmosphere and we pride ourselves on seeing each child as an individual. We take time to celebrate achievements together, whether they are academic, sporting, artistic or dramatic.

Here at Warblington, we are committed to bringing the best out of each and every student entrusted to us and being a small secondary school allows us to get to know each individual and provide them with the support they need that will enable them to thrive.

Curriculum is very important to us and has played a key role in our improvement in outcomes. Further information on our curriculum can be found our curriculum booklet and on our website. We recruit specialist teachers in their subjects and as we know they are passionate about the subjects they teach and we believe students need to experience a wide range of subjects for as long as possible.

Finally, it is important to note that teaching and learning is at the heart of everything we do. Our focus for this year is around the use of the Great Teaching Toolkit becoming the golden thread of all adaptive inclusive teaching enabling all students to succeed in the right environment. With the renovation of the main building complete, and the renovation of the technology block due to begin in the summer of 2025, we know that the ingredients are there for Warblington School to be a special place for years to come – and we'd be delighted for you to join us on that journey.

Pedogeological changes since 2022:

Each key stage has a new spiral curriculum built on both mastery and scaffolding ensuring GTT is at the heart. Emergency schemes of work for each class of Year 11 were created for 2022/2025 students due to the large knowledge gaps highlighted in initial consultation, this personalised adaptation ensured that all content was taught rather than assumed. Higher achievers are offered the opportunity to complete a Further Math qualification and we are launching a new pathway for entry level starting 2024/2025.

Assessments and homework have been centrally created to align with the active learning in lessons and have an integral thread of retrieval practise. To assist with long term memory recall we have also introduced a '5 a day' homework booklet for all students providing a clear independent revision structure.

Each exam board has different strengths, we changed to OCR from Edexcel in September of 2022 to match the requirements of our students. To ensure correct preparation walking talking mocks, alternative papers and tutoring (both inhouse and externally) have played a key role in allowing students to confidently and correctly express their knowledge.

Classroom teaching has improved with the introduction of clear departmental expectations including consistent use of AFL, misconception highlighting, visualiser modelling and mapped out revision plan.

Cultural changes since 2022:

The Mathematics team pride ourselves on having a relentlessly enthusiastic, positive and welcoming culture for all. We believe that every students have the ability to maximise their potential and see our role as supporting them in doing so.

Each student receives personalised feedback after assessments, ensuring parental/guardian involvement through letters, phone calls and face to face meeting where possible. We award stars of the week/lesson and students of the term based on both attainment and progress. We are proud of our new cultural capital gains with Legoland STEM trips, math challenges, external employers and University trips becoming standard practise.

The future is full of exciting prospects with new members of staff with primary and dyscalculia specialisms joining the team as well as the efforts of the new KS3 scheme of work being realised.

What are the next steps

The heads of both English and maths subject areas have already produced action plans to ensure that the progress does not end here. For English, there is a real focus around the top end grades and tracking the impact of Key Stage 4 setting. This coupled with much more data-led tracking, and impact of a well thought through and well taught Key Stage 3 curriculum will continue to drive improvements in outcomes.

For maths, the aim is to continue that level of improvement, particularly as future cohorts are coming to us with attainment levels below national average in maths. The 5-a-day rolled out into Key Stage 3 will help with long term retrieval as will the appointment of a Key Stage 2 maths specialist to help identify and teach to gaps in knowledge.

All in all, with two very competitive teams of experts in both core subjects, the future is very bright for Warblington students hoping to achieve the 'basics' in English and Maths!

MATHS TEACHER

Required from September 2025
Main/Upper

Due to a large increase in student admissions, we are seeking to appoint an enthusiastic and dedicated teacher of Maths for September 2025. This is an excellent opportunity for a newly qualified or experienced teacher to join an effective department, and a school that is committed to inclusive education, where *'Excellence is our expectation'*.

The successful applicant will be required to teach Maths across the curriculum and to students of all abilities and be encouraged to take a full and active part in helping us to maintain and enhance our school's reputation as a thriving and improving school where staff are supported with a comprehensive professional development programme. Candidates will be ambitious for our students and have a vision for the development of Maths in our curriculum

As a new member of staff, you will be well supported through a tailored induction programme in a school where training for staff is of a high quality and is a strength of the school and we see professional learning as a major strategic priority.
