About Esteem Multi-Academy Trust

Esteem Multi-Academy Trust currently comprises of twelve academies throughout Derbyshire, Derby City, and east Staffordshire. Formed by a group of like-minded school leaders in August 2018, the MAT is currently responsible for the education and care of approximately 1,200 students and employs around 850 staff. The total revenue budget for the MAT is approximately £27 million and plans are in place to expand further.

Esteem Multi-Academy Trust includes 7 special schools, 4 alternative provision academies, a Day 6 Provision, and a mainstream infant and nursery school with an enhanced resource provision educating young people with autism and learning disabilities. We wish to grow further to fulfil our vision to become a centre of excellence for special educational needs and disabilities (SEND) in the midlands. We have a well-defined set of values and a clear vision for the MAT to become a regional hub for expertise in SEND and inclusion. We share a collaborative ethos, believing that we can achieve more for our pupils as a collective group of schools than we could separately. Our academies focus on the holistic needs of the young person, due to students' vulnerabilities. So, 'joined-up thinking', between our academies and different agencies, is essential to deliver the right support for our students.

The main aims of Esteem MAT are to:

- Provide an ambitious, inspirational, bespoke education, setting the foundation for the future and ensuring our young people are ready for the world;
- Deliver high standards and value for money from our support services, resources, estate and technology; and
- Invest in and support our people, exploiting opportunities for collaborative, continual professional development, sharing of expertise and best practice.

As a group of academies working together, we can share and deliver better practice. We will be able to commission health, care and therapy services in a fully 'joined-up' way.

Welcome from the Headteacher

Dear applicant,

Thank you for your interest in the role of maths teacher at the Esteem North Academy. I am very pleased that you are considering applying to work at our academy where we all work hard to ensure that every pupil 'achieves their full potential'.

Esteem North Academy provides programmes of education to pupils identified as being at risk of exclusion, or who have already been permanently excluded from mainstream education. We meet the varied and complex needs of children in all Key Stages up to KS4, at sites located in Chesterfield and in the High Peak. Our primary aged site is located at Barrow Hill, Chesterfield and we have two KS3/4 sites, one in Hasland, Chesterfield and one in the High Peak.

Pupils may be permanently excluded or at risk of permanent exclusion from mainstream and therefore require a curriculum to help them re-engage in education. We have a full blended learning offer with work experience, off site alternative vocational provisions and some peripatetic teaching in pupil's homes to meet pupil need where required. We are undergoing many developments at this time and have a new leadership team to drive the academy forwards with our curriculum offer and quality of buildings. It is an exciting time to join us!

We are rapidly expanding and increasing pupil capacity; hence we are acquiring an additional site. We hope to be ready to open this site for January 2024. This site will also offer education to pupils in KS3 and 4.

Every child deserves an education. Our primary aim is to support and re-engage young people, enabling them to think positively about their future pathway, and life after the academy, whether that be re-integration into mainstream, further education or employment. Our Vision: "Inspire, Achieve, Exceed"

Our Pupils will:

- Feel safe, valued and trusted
- Recognise and achieve their full potential
- Take responsibility for their behaviour, and make healthy lifestyle choices
- Be positive about themselves and their future
- Be tolerant of others, and of the beliefs and views of others
- Be successful learners, both independently and when working with others
- Be self-motivated and have high expectations

We will achieve this by:

- Creating a safe learning environment, free of stigma and negativity
- Celebrating the success and achievements of every member of the learning community
- Establishing nurturing and supportive relationships between staff and pupils
- Setting high expectations for behaviour and academic success
- Providing a broad, balanced and relevant curriculum that provides the skills, confidence and qualifications to access opportunities in life
- Innovating learning, to engage and inspire
- Promoting tolerance and mutual respect
- Providing opportunities for students, parents and carers to voice opinions which form part of the decision-making process
- Providing an inclusive programme of learning opportunities and experiences that promote engagement

If you are an inspiring, energetic, flexible and engaging teacher with a passion for working with disaffected pupils and can contribute to a small staffing team with fresh new ideas then we may be the academy for you!

Further information about our academy can be found on the website at www.nedsc.derbyshire.sch.uk

Yours faithfully

Esteem Multi-Academy Trust's Safeguarding Policy applies to all adults, including volunteers and agency staff, working in or on behalf of the MAT.

Each pupil's welfare is of paramount importance. We recognise that children who are abused or neglected may find it difficult to develop a sense of self-worth and to view the world positively. We recognise that some children who have experienced abuse may harm others. We will always take a considered and sensitive approach in order that we can support all students within our academies.

The MAT pays full regard to the DfE 'Keeping Children Safe in Education September 2023' guidance. We ensure that all appropriate measures are applied in relation to everyone who works for the MAT who is likely to be perceived by the students as a safe and trustworthy adult including volunteers and agency staff. As part of our safer recruiting practises, we scrutinise applicants; verify their identity, academic or vocational qualifications, obtain professional and personal references, check full employment history and ensure the applicant's health and physical capacity is suitable to undertake the role. Interviews and DBS checks are also undertaken.

This post is exempt from the Rehabilitation of Offenders Act 1974 and therefore all convictions, cautions and bind-overs, including those regarded as "spent" must be declared.

If you are currently working with children, either paid or voluntary, your current employer will be asked about disciplinary offences, including those related to children or young people (whether disciplinary sanction is current or time-expired), and whether you have been the subject of any child protection allegations or concerns and, if so, the outcome of any investigation or disciplinary proceedings.

If you are not currently working with children, but have done in the past, that previous employer will be asked about these issues.

Where neither your current or previous employment has involved working with children or young people, your current employer will be asked about your suitability to work with children and young people, although it may be answered "not applicable", where appropriate, if your work has not brought you in to contact with children or young people.
