

Job Description

Post: Medical Needs Learning Support Assistant

Purpose

To challenge educational and social disadvantage in the North.

Duties and Responsibilities

- Live the mission, values and drivers every day.
- Support the school nurse in attending to the daily health needs of children with an individual health care plan in both the secondary and primary phase.
- Facilitate the exceptional progress and well-being of any individual or group of students; provide guidance and advice to students on educational and social matters.
- Promote and maintain discipline in accordance with the rules and behaviour policy of the academy.
- Use information from multi-agencies to create and review individual care plans for children with physical and medical needs.
- Communicate effectively with the class teacher/s and SENDCo to share students' medical and physical needs.
- Support students during break and lunchtime.
- Support students throughout the day who may suffer with mental health problems.
- Provide intimate care (including toileting, as required) in accordance with academy policies and procedures.
- Engage fully in our trust's professional growth process to fulfil personal potential and be able to participate effectively in the implementation of the academy's strategic big moves.
- Attend meetings / training and carry out administrative tasks and duties as specified on the academy calendar.
- Consistently implement all trust policies and contribute to decision-making and consultation procedures.
- Report any safeguarding concerns immediately to a designated safeguarding lead.
- Carry out any other reasonable duties as requested by the principal.

This job description is not necessarily a comprehensive definition of the post. It will be reviewed annually.
