## Section 2: Letter from the Chief Executive – Bev Matthews

Dear Candidate,

Thank you for your interest in this role within Minerva Learning Trust. Minerva Learning Trust was established in October 2014 with the vision of providing outstanding education for pupils who are from a wide variety of backgrounds across the city of Sheffield. During 2017-18 the Trust expanded and brought together four secondary schools across Sheffield to create a new partnership of schools which supports the education of over 5000 pupils. In September 2020, Chapelton Academy joined the Trust and enhanced the post-16 provision within the Trust in the north of the city and in September 2021, we were delighted that Woodthorpe Community Primary School became the first primary school to join the Trust. We resolutely believe that we are stronger together and that each school within the MAT has individual strengths and we celebrate the diverse and unique qualities of each particular school.

As a Trust our mission, vision and values are central to our work and are the driving force behind all that we do. Our vision of Outstanding Together, Working Together and Learning Together is underpinned by our core values of Inclusion, Independence, Respect and Success. Through our values we foster an ethos of collegiality, we ensure inclusion is at the heart of all we do and we work hard to ensure that every child succeeds, no matter what their background or circumstance.

We recognise that the commitment and care shown by all our staff is fundamental to the success of our young people. As such, we work hard to ensure that staff are supported, encouraged, developed, respected and listened to within an enjoyable and rewarding working environment. Our culture is one of professional trust, respect, honesty and integrity and we want our staff and students to work and learn within an environment that enables them to flourish and to work at their best.

The professional development of staff, including opportunities for research, is a key priority of Minerva Learning Trust. As such, we seek to enrich employee capability and maximise the strength and contribution of each individual who works with us. The Trust believes in investing in the learning and development of its employees through a range of opportunities which are aligned to the needs of the organisation and its young people.

This is an exciting opportunity to join the Trust. If you choose to apply you will be choosing to work alongside a team of dedicated professionals who passionately believe in the power of education to change the life chances of young people.

If you believe you have the experience, skills and ambition to support our aims and contribute to the delivery of the very best for our pupils then we look forward to receiving your application.

### **Section 3: Letter from the Headteacher – Richard Walkden**

Dear Candidate,

Thank you for your interest in this role and in our school. Ecclesfield School is a popular and over-subscribed all-ability, 11-16 school. Ecclesfield School joined the Minerva Learning Trust in December 2017. The school received a 'Good' Ofsted inspection in the summer of 2022, and we continue to build on this work. Results in Summer of 2024 were a step forward from 2023 and we strive to improve in all areas, every day.

Here at Ecclesfield School we understand the power of education to transform lives, communities and society. In everything we do we aspire to achieve individual and collective excellence through nurturing every student's unique potential to make sure when they leave and enter the outside world, they are ready to succeed and make an invaluable contribution to the wider society.

Ecclesfield is a happy, creative, focused and aspirational community that is built on the strong foundations of our broad curriculum, our inclusive ethos, our highly qualified and knowledgeable staff and our enthusiastic students. All our staff ensure that our students are given the very best opportunities through their education. My belief is that people achieve the best outcomes when they enjoy what they are doing, feel safe and are rewarded for their commitment and success. Our philosophy is simple and is based around our core values of Work Hard, Be Kind, Aim High, Show GRIT.

We expect the very highest levels of behaviour and attitude to learning from our students, coupled with a real focus on building positive relationships. We take every opportunity to study a wealth of subjects at both Key Stage 3 and 4. Our wider school life gives students and staff the opportunity to travel all over the world, take part in shows, give back to the local community, be a part of a team, go out into the working world, experience other cultures and meet people from all walks of life.

Support and care are equally important for all members of staff. We have a well-developed Continuing Professional Development (CPD) programme at Ecclesfield School that is now supported further by the growing CPD offer from the Trust. Wellbeing is also rightly high on our agenda. We have clear well-being principles in place that guide our work in school and an annual action plan full of suggestions made by staff.

I look forward to receiving your application.

## **Section 4: About Ecclesfield School**

### **OUR ETHOS**

Ecclesfield School understands the power of education to transform lives, communities and society. We aspire to achieve individual and collective excellence in all that we do through nurturing every student's unique potential, expanding their horizons and promoting their understanding of the invaluable contributions they can make as citizens in a global society. We recognise the importance of students leading rich and diverse lives and actively pursue a curriculum and pastoral provision which enables them to flourish in this area.

By fostering our students' spirit of engagement, adventure and ingenuity, we will nurture all young people as fully rounded individuals, providing them with the challenge and support they require to succeed.

### **ABOUT US**

Ecclesfield School is a popular and over-subscribed all-ability, 11-16 school. We have a truly comprehensive intake and aim to serve all of the school community in all of our work. Our intake is drawn largely from North-east Sheffield, including Ecclesfield, Chapeltown and High Green, though many students travel from further afield. Our standard student number per year is 350 and our current roll is 1750, making Ecclesfield one of the largest schools in the city. Ability on intake is broadly average. Around 29% of our students are classified as Pupil Premium.

The school has around 20% of students on the SEN register. The range of special needs in school is considerable; we have students with speech, language and communication difficulties, physical difficulties and some with moderate to severe learning difficulties. In addition, there are also significant numbers of students who have been identified as gifted and talented in a range of areas.

The Senior Leadership Team is comprised of eight colleagues – the Headteacher, two Deputy Headteachers and five Assistant Headteachers, supported by the Business Support Manager and Central Team for the Trust. Senior staff take responsibility for specific and targeted line management of key areas in the school. The school has distributed leadership model in which leaders at all levels increasingly take responsibility for raising standards of attainment and achievement.

Currently we have a teaching staff of over 100 who provide a rich balance of enthusiasm, energy, creativity and experience. Our team of support staff plays a vital part in the success of the school, and all are important members of our community. We aim to involve all staff in the life of the school through communication, including daily briefings and regular meetings. Staff development is supported through a highly effective professional learning policy, which lays emphasis on sharing good practice internally and driving up standards in teaching and learning. All teaching staff belong to departmental teams led by Curriculum Leaders.

All teachers are involved in the student mentoring system, either as mentors for a whole vertical tutor group or in the school's one-to-one mentoring programme. Student leadership in the school is well advanced. The School and Year Councils have been in place for some time, and we have a senior prefect group drawn from Year 11 and also a Head Boy and Head Girl. Below this sits a Junior Leadership Team as we continue to increase student participation in school direction. These developments are beginning to encourage students to take more responsibility, to share more

effectively in decision-making across the school, to provide positive role models for younger students and to contribute more widely to all aspects of school life.

The school is supported by a committed and supportive Local Governing Body, ready to scrutinise and challenge the work of the school. Led by the Chair of Governors, the Local Governing Body works through a series of committees, each supported by a member of the leadership group. The governors take on 'link' roles and are beginning to work effectively with a range of key personnel within the school. The Local Governing Body feed into the Minerva Learning Trust Board who have overall accountability for schools within the Trust.

The curriculum is organised within a 50 period, two-week timetable and we aim to use this vehicle to support and stimulate all students. As a result, a large number of activities and experiences are timetabled for students. These include a one-week period of work experience for all Year 10 students. Many subject departments organise trips and visits; these include trips to local museums, field trips, visits from theatre groups and curriculum-related visits to sites around the country.

At Key Stage 3, students follow a broad and balanced curriculum including the core and foundation subjects, Drama, Information Technology, RE, Art, Music, PE and Technology. All students study Spanish, French or German (with some students going on to pursue two languages at GCSE). In Year 7, with the exception of Maths, all subjects are taught for the year in mixed-ability teaching groups. Increasingly, the school is moving towards a two-year key stage 3.

At Key Stage 4 we offer a core curriculum of English, Mathematics, Science (combined trilogy and triple sciences), Science or Geography, PHSCE/RE and PE with three further option subjects available. These include Art, Business Studies, Drama, Computer Science, Music, P.E. and Religious Studies. Students can opt for Technical Awards in a range of subjects including Sport, Music, Health and Social Care and Engineering. The school is well-placed to meet the demands of the English Baccalaureate with MFL, Science and Geography popular option choices. Our most recent performance indicators shows attainment in the EBacc running above the national level. We are confident that our current curriculum model, whilst under constant review, allows us to meet the needs of all students, preparing them fully for life beyond 16.

The extra-curricular life of the school is rich and varied, though this is an area we are always keen to expand. There are more than 100 clubs, lunchtime and after-school clubs and teams which offer the opportunity for students to develop and follow their interests and talents in music, drama, sport and academic areas. As a school that particularly values performing and visual arts there are a host of creative opportunities for students to take part in from music lessons and ceramics to the four annual school productions. In terms of sport, a wide range of teams and activities take place, achieving considerable local, regional and, on occasion, national success. There is a strong programme of residential, visits and foreign trips throughout the school from the ski trip to language immersion trips.

We aim to enable all colleagues to fulfil their potential. We are partnered in Initial Teacher Training with Sheffield Hallam University and Sheffield University. We aim to support new colleagues, be they NQTs or more experienced teachers or support staff, via an induction programme and mentoring scheme which can be tailored to meet their needs. We are also partner members of the Sheffield Teaching School Alliance, centred at Silverdale School, and are looking to build upon our excellent reputation for Professional Learning by taking a leading role in the development of the training arm of the Teaching School Alliance.

We are developing a vibrant learning community in which all students and staff are able to thrive. Our strategic vision is to move this school forwards by retaining a complete commitment to our ethos, our community and the principles of a comprehensive education.

We look forward to your application and thank you for your interest in our school.
