MPR

We require a temporary Teacher of MFL to work in our College where we have a reputation for providing outstanding support for staff and students. The successful candidate will be hard-working, well-qualified and will offer French to KS3 & 4. The department offers French and German.

We have an OFSTED rating of good (most recent OFSTED inspection March 2019). HTC is a 'school where students' academic achievements and their personal development are regarded as equally important'. 'Parents are overwhelmingly positive and appreciate the care and support their children receive'. The College is at an exciting stage of its development and we welcome applications from qualified teachers who want to be part of a consistently improving College.

This post would suit an NQT or experienced MFL Teacher with a passion for this subject. We comprehensively support all new staff and have tailored programs for NQT's, staff returning to the profession and those seeking a career change. The College is committed to professional development and will seek, where possible, to support staff in their ambitions to further themselves.

Teaching application forms are available from the College website. Please return completed application forms to vacancies@horndeantc.hants.sch.uk

The College is committed to safeguarding children and promoting the welfare of young people and expects all staff and volunteers to share this commitment.
