THE SCHOOL

More than meets the eye.

Welcome to **Meltham Moor**, a warm, vibrant and successful primary school in Kirklees. We have around 220 children from nursery to year 6, and a fantastic skilled and dedicated staff team who are committed to providing the very best education for our children.

Outstanding teaching and learning matters. Our curriculum has been designed with the aim of creating knowledgeable and inquisitive children who know lots but want to find out more. Academic standards at Meltham Moor are consistently high – but we are so much more than just this. As a school, we love our outdoor environment and our local community, and take every opportunity to learn and contribute outside of our school. We have a carefully planned enrichment programme – the 'More' at Meltham Moor - offering opportunities many of our children might not otherwise have chance to experience.

Our aim is for every member of the school community to be the best that they can be – personally, socially and academically. We invite you to join our team.
